MATH

This week, there is one "paper" assignment (Good Morning, Sunshine) that will count towards your math grade. These assignments are in **RED**. If you would like to share additional work, you may, but it is not required. We know that everyone is busy and we trust that you are completing the work. ***If possible, please return the work the day you complete it. This will allow us to provide timely feedback to your child. If not, one submission of all assignments by Sunday at 3:30 is still an option.*** Please pick a method that will work best for your family during this time.
