

3rd Grade Assignments

April 27th - May 1st

Clever

If there are any issues with clever, call the district tech hotline (412) 264-3013 Monday through Friday, 10 a.m. – 2 p.m.

Sign-on information is as follows:

Username: student#@moonarea.net

Password: student #

*student # is their lunch number

Class Website

All our ELA and Math assignments are on our class website. The website address is <http://aardingermcc.educatorpages.com/> but can also be accessed through Clever. No username or password is required to access the website. If you find that the site is left in “edit” mode, please use the PDF version for assignments.

Note from Ms. Ardinger

Please allow your student to complete graded activities on their own! It not only shows their knowledge of the skill and hold them accountable, but also provides data for us teachers to adjust our plans, teaching styles, and support for each individual student. If you see an area where your child is struggling, please reach out to Mr. Wood or me so that we can help.

TAKE A PICTURE or SCAN ELA PAPER TEST/GRADED ASSIGNMENTS TO MS. ARDINGER – aardinger@moonarea.net or on Remind

Sometimes, a child may be having a bad day (they have those too!) or daily plans may be longer than others. I encourage you to allow your student to take small breaks and/or do a GoNoodle (on Clever) in between activities to reduce burnout. Every now and then, we run into technology issues. If this happens, please let me know so that I can resolve it.

Note from Mr. Wood

This week, there are 4 "paper" assignments that will count towards your math grade (Mon thru Wednesday sunshine work counts as one of the paper assignments). These assignments are in red. If you would like to share additional work, you may, but it is not required. We know that everyone is busy and we trust that you are completing the work. ***If possible, please return the work the day you complete it. This will allow us to provide timely feedback to your child. If not, one submission of all assignments by Friday at 3:30 is still an option.***

You have a Freckle Math assignment it is in red. These scores will count towards your math grade this week. The assignment will automatically submit once your child answers the questions.

Assignments

Monday 4/27/20

Friday 4/24/20

ELA

1. **Writing (Cause and Effect)** - Describe the effects of eating junk food on a regular basis. This is a graded journal entry. Complete on the PDF provided or in your journal, A rubric is provided to show students how it will be graded. My hopes are for them to improve their writing by adding details and descriptive words (adjectives). **Send the final copy to Ms. Ardinger - aardinger@moonarea.net** 16 pts.

*At least 5 sentences =

- 1 topic sentence
- 3 detail sentences
- 1 closing sentence

- click [here](#) for PDF
- click [here](#) for rubric

2. **Spelling Test** - Go to Clever and click on Edulastic to access test. Before taking test, click on Video Icon or pull up Youtube video of test (Video not available until Friday). Allow video to play WHILE taking test. So, you may want to split your screen between the video and the assignment or play video in the background (you only need the audio of the video). If you cannot complete on Edulastic or are having troubles typing, complete test in notebook or on provided PDF then take a picture or scan it to aardinger@moonarea.net.

*Test is graded

- click [here](#) for PDF test (can be printed)
- click [here](#) for video (available 5/1/20)

3. **Dictation Quiz** - Listen to the Youtube video for dictation sentences. Print PDF test or complete in journal. SEND a picture of quiz or SCAN to Ms. Ardinger when finished.

*Quiz is graded

- Click [here](#) for PDF quiz (can be printed)
- Click [here](#) for video (available 5/1/20)

4. **Finish** any work from the week

MATH

1. Complete “Good Morning, Sunshine!” Week 5: Fraction Fun Friday **OPTIONAL**. Click [here](#) for the assignment.
2. Take a trip to the Cozy Corner Bakery! View the menu [here](#).
3. ‘Purchase’ items and fill-out the receipts. [Click here for receipts](#). On the first receipt, you have \$5.00 to spend. On the second one, you have \$10.00 to spend, and on the final receipt you have \$20.00 to spend.
