

WELCOME TO C^hemistry

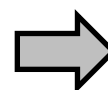

1st thing you need to know: **The Website!**

This site will be your “**best friend**” in this class.

Miss some notes in class? Forgot what the homework is?

*When is the project due? Need extra help? **CHECK HERE!***

Be sure to **bookmark** this site – it is updated daily 😊

<https://dherman.educatorpages.com/>

THINGS TO DO THIS WEEK:

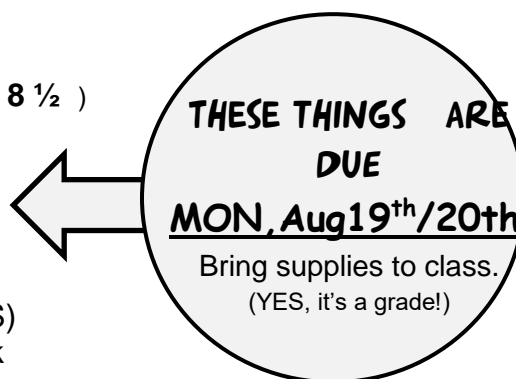

1. **Hold on to this page, it will go on the inside cover of your notebook**

2. **READ** the Course Expectations & Lab Safety posted on the website.

- ✓ **Sign the signature page** that you have read & understand what is expected of you in this class.
- ✓ Show this to your Parent/Guardian/Significant Adult. **They need to read the expectations & sign as well. Signatures are due the next time we see you (8-13/14) for a grade!**
- ✓ Sign up for remind 101 (you will be very happy you did!) – it’s a grade!!
 - Chem Honors To the #81010, text @4akh72
 - Chem (I) To the #81010, text @chemi20192

3. Gather your **SUPPLIES**

- ✓ Spiral Notebook (5 subject college rule – 11 x 8 ½)
- ✓ Glue (stick or liquid)
- ✓ Scissors
- ✓ Colored Pencils or Crayons
- ✓ Highlighters
- ✓ Pencils and Pens (blue or black ink)
- ✓ Scientific Calculator (Sorry, **NO PHONES**)
- ✓ Honors: graphing paper composition book
- ✓ Extra Credit (see Materials List)

4. **Get ready to LEARN!** 😊

As long as you put the effort in, do all (or at least most) of the assignments, keep up your notebook, follow directions, & study for tests, you should have no problem passing this class. That being said, if you do **NOT** put in the effort & keep up with the work, **you will have difficulties.**
