

# Hello Grade Six

My name is *Ms. Murphy* and I am very excited to be your Sixth Grade teacher! This is my **3rd** year teaching at Glenn Arbour Academy and my favourite thing about it is – **seeing a child develop both academically and socially right before my eyes!** I have planned so many **exciting** things for you this year and I know you will **LEARN** a lot! I enjoy teaching all subjects, but **Math** and **Social Studies** are my favourites.

Teaching is a very rewarding job and through education, teachers are able to provide their students with the skills and tools needed for **success**, giving them the confidence they need to **fulfill their dreams** and reach their **full potential**. Everybody in our class is **special** and **unique** in their own way. This means that each of you **learn** and **think** differently from one another. I am committed to helping you develop as a **global leader** and as a **learner** by creating a positive learning environment that promotes **inclusion** and **DIVERSITY** draws upon each of your strengths as an individual.

One thing that is very important to me is **TEAMWORK**. Throughout the year, you will have many opportunities to work with your classmates in different settings. Because of this, it is extremely important to work as a team. This means that you should treat your classmates with **compassion** and **respect**.

Want to know more about me? Here are a few of my **FAVOURITE** things:

I'm looking forward to an **outstanding** and **memorable** year with each and every one of you!

**Ms. Murphy**
