

**Junior KINDERGARTEN**  
Mrs. Dunschede

**September 17-21**

<b>Language Arts</b>	The students will be practicing our Good Morning Song, Days of the Week song and Months of the Year Song. This week we will focus on letter B (sound, action and words that begin with B). The students will identify upper and lower case letters and will begin to read familiar sight words in the morning message. The student of the week will read the morning message and all of the students will identify the letter of the week in the words of the message. We will also be working in our literacy centers. This week we will be reading books about Apples.
<b>Poetry and Rhymes</b>	We will be learning a poem that goes along with our “Apples” theme. We will also be practicing our Grandparents Day poem.
<b>Printing</b>	We will continue to practice printing letters in the alphabet. We will continue our journal work adding tracing/printing (depend of the level of the student) words to go along with our pictures. We will be using chalk boards/white boards and IPADS to practice tracing letters and words. We will also practice printing on our Smart Board. We will continue to learn 3 sight words every week. Sight words <b>(the, and, can, it, said, up)</b>
<b>Math</b>	This week we will continue learning about shapes and colours in Math. We will also be printing/tracing numbers and working in our math centers. “Penelope” our counting caterpillar will be turning 13 on Friday representing the 13 <sup>th</sup> day of school.
<b>Health</b> (Mr. Fretz)	Students will continue their first unit on Healthy Eating this week. They review our healthy super “Super Heroes and participate in games to recall healthy food choices or “Super Snacks”
<b>Physical Education</b> (Mr. Fretz)	Students will be taking part in movement games and activities to build movement and instructional skills. They will be continuing directional running during activities and will be working to complete tasks based on verbal and visual instructions. On Friday the class will be taking part in activities to earn House Points for their designated house (Torrin, Malliag, Kyleakin).
<b>Science</b>	For the next few weeks we are going to learn about our five senses. We will be using our five senses during our popcorn experiment.
<b>French</b> (Mme Israil)	Students will be learning how to greet one another through song and learning how to introduce themselves
<b>Art</b>	This week we will be creating some “stained glass” apple art work!
<b>Drama</b>	This week we will continue our movement with music unit.

<b>Music</b> (Ms. Murphy)	The kindergarten classes will be working on reading notes on the musical staff. We will be discussing lines and spaces and identifying the difference. We will also be learning about rhythm.
<b>Computers</b>	This week we learn about Math Prodigy and play games with our Grade 2 buddies
