

**January 14<sup>th</sup> - January 18<sup>th</sup>**

<p><b>Language</b> (Ms. Burghart)</p>	<p><b>Spelling words: like, him, into, time, pet, get, wet, let</b></p> <p>These words will be tested on Monday, January 7th. Starting this week I will no longer be sounding out each word, and instead will simply repeat the word several times as well as using it in a sentence.</p> <p>As always, there will be the option to try spelling 2 bonus words of my choice taken from last week's list of words.</p> <p><b>Writing:</b> The students continue writing in their journals this week. They will be writing about what they did over the weekend. We will be focusing on using uppercase and lowercase letter appropriately and ensuring we have a period at the end of our sentences. Students will also start working in their explode the code book which looks at breaking down sounds of words and using different strategies in order to read words.</p> <p><b>Reading:</b> As a class, we will be reading stories and discussing the beginning, middle and end of the story.</p> <p><b>Home Reading:</b> Students will receive a book in their homework folders to read throughout the week. Students are also encouraged to read using Raz Kids.</p>
<p><b>Math</b> (Ms. Burghart)</p>	<p>Students will be starting a new unit on Canadian money. This week we will continue reviewing coin names and their value. As an extension we will start adding pennies and nickels together.</p>
<p><b>Physical Education</b> (Mr. Fretz)</p>	<p>Students will be taking part in basketball skill development this week. Students will also take part in cooperative games to earn points for their House (Torrin, Malliag, Kyleakin).</p>
<p><b>Art</b> (Ms. Burghart)</p>	<p>This week in art we will be finishing our project making weather mobiles with a focus on different textures.</p>
<p><b>Music</b> (Ms. Murphy)</p>	<p>This week the JK/SK students will continue exploring areas of rhythm and dance. Our first session will feature a song about diversity and a chance for students to create their own musical melodies. This will follow with a fun session highlighting creative movement and musical expressions.</p>

<b>French</b> (Mme. Israil)	Students will continue with their unit on Winter.
<b>Science</b> (Ms. Burghart)	Students will continue our daily and seasonal changes and why the sun is important.
<b>Health</b> (Mr. Fretz)	Students will begin their new unit on health lifestyles including, prescription and non prescription medicines, medication and healthy alternatives in the Substance Use unit. They will continue to learn about prescription medications and review what a prescription label looks like.
<b>Computers</b> (Ms. Burghart)	In computers this week we will continue to review and practice internet safety as well as mouse and keyboard skills.
<b>Media Arts</b> (Ms. Desa)	Students will examine Diversity in Literature this week as we celebrate Diversity Week.
<b>Drama</b> (Ms. Burghart)	This week in drama students will be introduced to our new unit where they will be taking on roles and performing a small skit. This week we will start with creating our own small play with the use of puppets,
