

Grade Six Citizenship and Immigration Services (GSCIS)

Official Green Card Application

Directions: Fill in the information below with accuracy. This is a government form! You will turn your application in to the "Grade 6 Immigration Office" for editing. You will see corrections in red. Once your application is edited and returned, you will be given a green index card. **Using PENCIL, copy the first four sentences onto the front of the card. Copy the last four sentences onto the back of the card.** As you write on the actual green index card, be sure to make the corrections shown in red on your application. Your green card will be collected by the "GSCIS Office" (aka: by the teacher) for final approval and stamping. Your "green card" will be officially filed in the GSCIS data base (aka: file card box) making you a documented immigrant in Grade 6.
