

Name _____

Departments of Government

For each clue, identify the cabinet department that:

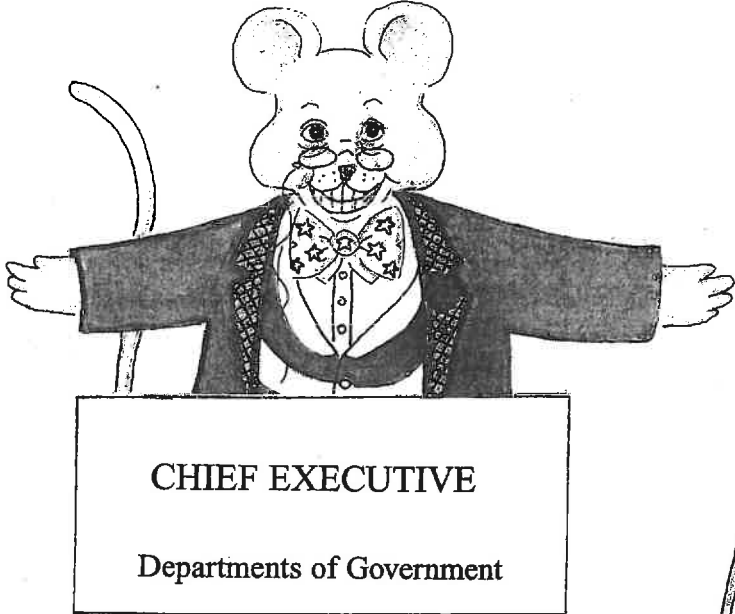

- ACROSS:**
1. Protects our nation's borders
 2. Handles the nation's relations with other countries
 4. Helps business
 6. Helps people get homes
 7. Helps make sure people's bodies and minds are healthy
 9. Helps workers
 10. Is concerned with electricity, oil and other sources of power
 11. Is the government's banker and tax collector
 13. Helps retired soldiers and sailors and their families (two words)
 14. Supervises the nation's parks and a natural places

- DOWN:**
1. Protects our nation from war or threats by other countries
 3. Helps farmers produce our food
 5. Helps schools
 8. Is concerned with roads, airports and trains
 12. Helps defend and protect people from crime and help punish criminals

Look at the pictures carefully. Match the "idea" in each picture to the correct executive department that would deal with that kind of law. There are some hints to help you interpret some of the pictures.

You DO NOT need to write "Department of" each time. For example, if the picture showed a cattle rancher you could title it - **Agriculture** and NOT Department of Agriculture.

Spelling and capitalization count. These are proper names and need to be capitalized. Spell correctly.

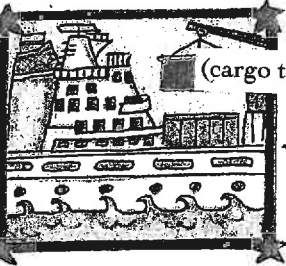

CHIEF EXECUTIVE
Departments of Government

1.

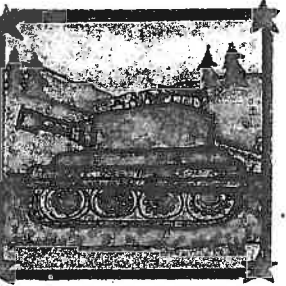

2.

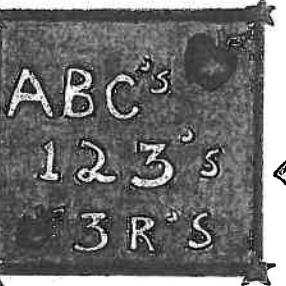

(cargo trade ship)

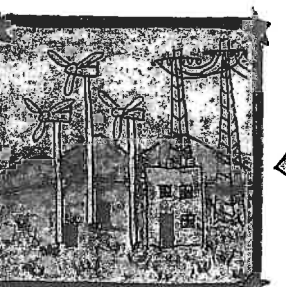

3.
