Student Handbook

WELCOME

Dear Students:

It is with great pleasure that we welcome you to Clark-Pleasant Middle School. Our motto of exploring excellence supports our “A” and Four Star School status. Our continued success relies on your positive attitude, effort, and cooperation each school day. We hope and expect that CPMS will be a source of great pride for you, your parents/guardians, and your community.

Your CPMS years should be a time to be academically challenged, to grow, explore, and enrich your lives with new opportunities. The best way to enjoy your middle school experience and learning opportunities are to follow school rules and The Warrior Way. Our positive approach will help you meet these achievable goals.

- Follow the Warrior Way: Be Responsible, Be Respectful, Be Safe
- Set high standards for yourself
- Show growth in all you do
- Give 100% effort

There is no substitute for high expectations and achievement. It is important that you set challenging goals and push yourself to reach them. Building a strong foundation of skills in communication, reading, writing, critical thinking, collaboration, problem-solving, and creativity are critical for life long success.

Please maintain a copy of this handbook and become familiar with its contents. It is designed to help students and parents understand the opportunities, services, and policies at Clark-Pleasant Middle School. **Parents/guardians are responsible for completing and updating all registration information each school year. During this process, parents acknowledge that they and their student have read and understand the handbook and discipline policy at CPMS.**

We believe that by working together we can assist your student in having a successful school year. Please do not hesitate to contact CPMS staff if you ever need assistance.

CPMS MOTTO

Exploring . . . Excellence

CPMS MISSION

The mission of Clark-Pleasant Middle School is to...

- Develop the full potential for all learners in the school
- Support students as they acquire the skills necessary for academic success and lifelong learning
- Assist students in the development of key personal attributes such as positive self-esteem, self-discipline, and compassion for others
- Provide challenging, comprehensive instruction in each discipline
- Prepare students for transitions into high school and post-secondary opportunities
- Provide adult role models who exhibit exceptional professional skills, guidance, and character

NON-DISCRIMINATION STATEMENT

Clark-Pleasant Community School Corporation does not discriminate on the basis of race, color, religion, gender, sexual orientation, social or economic background, place of residences within the boundaries of the Corporation, national origin, age, or individuals with disabilities, including limited English proficiency, in its programs or employment policies as required by the Indiana Civil Rights Act (I.C. 22-9.1), Title VI and VII (Civil Rights Act of 1964), the Equal Pay Act of 1973, Title IX (Educational Amendments), and Section 504 (Rehabilitation Act of 1973).

ACADEMICS

6th CORE AND RELATED ARTS CURRICULUM

Every student will participate in science and social studies and one English and math block each day. Students will attend the following related arts courses:

Digital Communications; Wellness/PE; STEM; Explorations

Related arts classes will run on a 9 week rotation. Sixth grade students, who meet established criteria, will also have an opportunity to participate in either band or choir electives during FIT (Focused Instructional Time). Administration reserves the right to suspend or remove students from the performing arts program that do not maintain acceptable EL scores/grades or behavioral expectations.

During the school year, the Principal or designee must approve any schedule changes.

7th & 8th CORE AND RELATED ARTS CURRICULUM

Every student will participate in math, science, and social studies and one English block each day. Students may attend the following related arts courses during their middle school years.

Digital Communications; Visual Arts; Wellness (PE/Health); STEM

Advanced Digital Communications and Advanced Visual Arts are yearlong courses in which students must be selected to participate through an application process.

Students may elect to attend Band or Choir. If the student takes Band or Choir he/she must remain in the class for the entire school year. There are few exceptions to this rule. CPMS administration reserves the right to reassign a student from Band or Choir based on academic need.

Students below grade level in math and/or English may also be placed in an Applications class. The goal of these remedial classes is to close the achievement gap prior to high school.

All students will be assigned to a homeroom period. This class provides prosocial opportunities and structure to help students be successful at school.

Students will have opportunities to attend F.I.T. (Focused Instructional Time) based on their academic needs. Teachers will assign students to specific learning opportunities as needed while some students will choose to attend enrichment activities.

In the rare event that a schedule change must occur during the school year, changes must be approved by one of the guidance counselors and principal.

Above Grade Level (AGL)

It is our goal to enroll students in classes that are appropriately challenging for individual skill and ability levels. We offer each student the opportunity to grow and learn while achieving academic success and building confidence. Our programming creates a culture of exposure for our students – as they begin making choices to accelerate academically they may at times repeat advanced coursework to achieve proficiency, maintain strong course EL scores and gain access to as many Advanced Placement and Dual Credit courses as they can in high school. CPMS uses data-driven decision-making when identifying the appropriate academic placements for all students. The following information is reviewed prior to all academic placement recommendations:

- ILEARN/ISTEP scores (previous 2 school years) – for remediation and advanced placement
- InView Cognitive Skills Index (CSI) – for advanced placement
- Orleans-Hanna scores - Algebra Readiness
- Student EL scores or grades (previous 2 school years)
- RI scores - reading level
- Teacher feedback and recommendations (previous school year)

Students have the opportunity to take honors/advanced classes in math, E/LA, Spanish, wellness, and visual arts. Students enrolled in these classes must qualify based on their academic data and achievement. High school credit can be earned for the following

courses: Algebra I Honors (7/8), Geometry Honors (8) and Spanish 1 (8).

FOCUSED INSTRUCTIONAL TIME (FIT)

FIT is held 3-5 times a week for all students that need extra time and support to learn essential information if they don't get it the first time in class. It's our goal to ensure that regardless of which teacher your student has at CPMS, we guarantee he or she will receive extra time and support needed to learn at high levels!

ONLINE GRADEBOOK

CPMS offers an online gradebook through ParentVUE/StudentVUE that allows students and parents to view a wealth of information including EL progress, grades, attendance. Please call 535-7121 to set up an online account.

REPORT CARDS

We no longer print and distribute report cards. All data and information is available in ParentVUE and StudentVUE. Students in special education will receive additional feedback throughout the year. Midterm reports are distributed to all parents at parent-teacher conferences midway through the 1st semester.

SEMESTER GRADES

CPMS/WCHS use semester grading periods - except related arts classes in 6th grade, which are 9 weeks each. Semester grades are reported out on a student's permanent record at CPMS and WCHS.

GRADING, ASSESSING and REPORTING OUT

Students will be assessed on essential learnings (ELs) [found here](#). In the classroom, teachers provide meaningful feedback to all students using the following vocabulary (which aligns with ILEARN) to help students understand their progress:

- "Below Proficiency"
- "Approaching Proficiency"
- "At Proficiency"
- "Above Proficiency"

Students may have multiple opportunities to demonstrate understanding for each skill. When applicable, students will be offered retake opportunities defined by each grade level department to show proficiency and growth on each EL. Assessments that are retaken will be averaged with previous test scores.

CPMS will report grades using points and percentages. 90% of a student's grade will be derived from assessments/major projects/labs/etc. and 10% from homework/practice. The course grade consists of Essential Learnings (ELs), and each EL has a weighted percentage of influence that counts towards the calculation of the course grade. For a more detailed overview of grading calculations, please consult the provided materials found at the end of this handbook. For more information on a course's ELs, a syllabus will be offered for each course providing additional detail.

CPMS staff will report out on Behaviors that Impact Learning at the end of each semester. This score is not included in your student's grade.

Grading Scale:

A	100 - 92.5%
A-	92.4 - 90%
B+	89.5 - 86.5%

B	86.49 - 82.5%
B-	82.49 - 79.5%

GRADE CALCULATION RESOURCE

How Is My Grade Calculated?

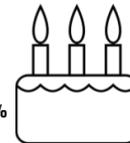

Your grade is like a cake

There are multiple elements to the cake:

Final Exam: No

(Most CPMS Courses)

- EL Scores (Cake) = 90%
- Homework/Practice (Icing) = 10%

Final Exam: Yes

(All WCHS Courses & HS Credit courses @ CPMS)

- EL Scores (Cake) = 70%
- Final Exam (Candles) = 20%
- Homework/Practice (Icing) = 10%

Your cake is made up of slices

Each slice is a different Essential Learning

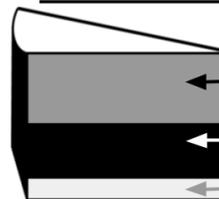

- Larger Slices = More Influential
- Smaller Slices = Less Influential
- Active Slices Add Up To '100' At All Times

➤ Missing slices push in to active slices

✚ If you have five 20% slices, and two are missing, then the remaining 40% is spread across the three slices currently active in the gradebook

Each slice is made up of three layers

Layer 3 = Weight 3 (Percentage X 3)
(examples - summative assessment, major projects)

Layer 2 = Weight 2 (Percentage X 2)
(example - quizzes)

Layer 1 = Weight 1 (Percentage X 1)
(example - in-class activity)

HOMEBOUND INSTRUCTION

Please notify the school in the event of an extended illness or hospital care. We then can investigate the possible need for homebound instruction for your child.

HOMEWORK/PRACTICE

Homework refers to an assignment to be completed during a period of supervised study in class, independently while in attendance at school, or prepared outside of the school by the student, at home. Homework is one of the criteria used for reporting student progress. It is the

student's responsibility to return all work completed to the teacher by the date requested. **If there is a concern regarding homework, please communicate this concern to your child's teacher.** Students are expected to make up work missed during an absence. Parents/Students can check the teachers' Google Classroom or email teachers for the first three (3) days missed. If a student has missed three (3) or more consecutive days of school, parents or guardians should call or email the main office. Indicate the number of days for which your child will need assignments. Whatever homework is not electronically accessible will be sent to the office. Parents should make arrangements through the office to pick up assigned work.

Students will be permitted one day to make up missed homework for each day of an excused absence. (i.e., students missing 2 days of school will have 2 days to turn in all missed classroom assignments). **It is the responsibility of the student to make arrangements with his/her teachers to make up any missed work.**

HONOR ROLL

The "A" Honor Roll requires all A's on the report card. The "A/B" Honor Roll requires all A's or B's on the report card. We recognized students at the end of 1st semester and at the end of the year Honors Program.

ATHLETICS/EXTRACURRICULAR

Extra-curricular activities help to broaden the students' middle school experiences. Parents are requested to pick their student up promptly at the designated time and location.**

The goal is to make every dance/event an enjoyable experience for all students, free from the financial stress and personal pressures associated with a formal event. Limousines will not be allowed on the school premises. All school dress code expectations apply. Students will not be allowed to attend dances wearing formal attire (no tuxedos, spaghetti straps, low-cut, or backless dresses, etc). Each event is chaperoned by the administration, faculty and parents.

ATHLETIC ELIGIBILITY GUIDELINES

The following academic eligibility requirements are for students participating in interscholastic activities.

1. Participation in athletics is a privilege earned by meeting the standards set by Clark-Pleasant Middle School, the Johnson County Middle School Association, and the Junior Mid-State Conference.

2. Scholastic achievement is the primary goal of Clark-Pleasant Middle School. Student's eligibility status for trying-out or participation will be determined by the following:

All students are academically eligible at the beginning of the school year. Student-athletes will receive mandatory grade checks every 4.5 weeks. Students who are failing 2 or more classes will be placed on a two-week academic probation program. The student may continue to practice, however they will not be allowed to participate in or travel to any contests. At the conclusion of the two-week probation, the Athletic Director and the student's teacher will assess the academic progress of the student. If sufficient progress is made the student will be removed from academic probation. If academic progress isn't achieved, the student will remain on probation for additional two-week intervals.

EXTRACURRICULAR EXPECTATIONS

All CPMS rules, regulations, policies, and general information will apply during school, at all school or extracurricular activities, on the buses, on or off of school grounds.

At no time will students be allowed to participate, practice, or congregate, in preparation for an event without the school sponsor being physically present to supervise. If a student's activity/practice is not immediately after school, then the student must leave the building and return for the activity/practice at the designated time.

To participate or attend a school-related activity the student MUST have been in attendance at school the day of the event or the Friday preceding a weekend event, unless prior arrangements with school administration have been made.

Students who have been assigned ASD, Thursday School, ISS or OSS may not attend any extracurricular events on the assigned dates.

Failure to follow school rules or specific instructions may result in a student being asked to leave, possibly losing the privilege to attend future events and/or receiving additional school consequences.

Students are not allowed to leave the building or assigned area during extra-curricular events unless arrangements are made with a coach, supervisor, athletic director, or administrator.

Students who receive two (2) or more F's on a semester report card will be prohibited from attending any athletic or extracurricular event during the following semester.

SPORTSMANSHIP

CPMS students are expected to exhibit qualities of good sportsmanship. Competition is an opportunity to develop athletic abilities, and participants, as well as spectators, should conduct themselves in a manner that will show everyone the high standard of sportsmanship at CPMS. The following suggestions will serve as guides to demonstrate good sportsmanship.

Students and parents should:

- Consider opponents and officials as guests and show respect to all.
- Accept all official decisions.
- Respect school property and the authority of school officials.
- Cheer an injured player who has to be removed from the contest.
- Show self-control during and after every game.

Students and parents should never:

- Boo officials or players.
- Applaud mistakes or penalties by opponents.
- Use profane language at any time.
- Be rude to players or spectators or exhibit rowdy behavior.

- Criticize players or coaches.

At all athletic events students are to remain in their seats during the playing of the games. Students should not run or play in the hallways or sidelines during middle school events.

Any student that arrives to school after 7:45 a.m., or is not in his/her 1st period class by 7:45 a.m., is considered tardy to school. The following steps will occur for students that are tardy to school.

Per semester:

3rd – Lunch Detention

4th – Lunch Detention

5th – After School Detention

6th – After School Detention

7th – Thursday School

8th + - Additional tardies to school will result in daily lunch detentions

If tardies continue after all of the above procedures, further disciplinary action will be taken. In addition, excessive tardiness may be reported to the Johnson County Juvenile Probation Department.

Students arrive at school...

before 11:00 a.m. - Full Day Present - (Tardy only)

after 11:00 a.m. - Half Day Absent AM

DEPARTURE FROM SCHOOL

Students riding buses are dismissed from class at 2:45 p.m. and 2:15 p.m. on Wednesdays. Students who ride in a car are dismissed at approximately 2:52 p.m. and 2:22 respectively. Parents need to have a contingency plan in the event that their child misses the school bus home. Students may use the phone in the front office.

EARLY DEPARTURE FROM SCHOOL

Parent(s) or guardian(s) must report to the Main Office to sign their child out indicating the reason for leaving...such as doctor's appointments, etc. **For security purposes, parents/guardians may be requested to show a picture I.D. If someone other than the legal guardian or parent is signing out a student, that person's name must be listed on the student emergency information in ParentVUE.** The middle school requests that parents/guardians keep their demographic records updated. If a student continually leaves school early then additional action may be taken.

Students leaving school...

before 11:00 a.m. – Half Day Absent p.m.

after 11:00 a.m. – Full Day Present – (Early Leave only)

HABITUAL ABSENCE

Under I.C. 20-33-2-25, the "Superintendent or an attendance officer having jurisdiction shall report a child who is habitually absent from school in violation of this chapter to an intake officer of the juvenile court or the department of child services. The intake officer or the department of child services shall proceed in accord with IC 31-30-through IC 31-40."

SEA 338 amends IC20-20-8-8. Habitual truancy includes students absent ten (10) days or more from school within a school year without being excused or without being absent under a parental request filed with the school. Chronic absenteeism includes students absent from school for ten percent (10 percent/18 days) or more of a school year for any reason.

EXCUSED ABSENCES

Excused absences are defined as absences that the school corporation regards as legitimate reasons for being out of school, as included in the school policy. Those could include:

- Illness verified by note from Physician
- Family Funeral
- Maternity
- Military-Connected Families (e.g. absences related to deployment and return)

UNEXCUSED ABSENCES

An unexcused absence is any absence not covered under the definition of excused or exempt. While we appreciate and expect parent phone calls and emails, this communication does not excuse an absence.

CPCSC does not promote "Take Your Teen to Work Day". This absence is unexcused.

EXEMPT

Under certain circumstances, the law requires the school to authorize the absence and excuse of a student: serving as a page or honoree of the General Assembly (IC 20-33-2-14); serving on the precinct election board or as a helper to a political candidate or party on the day of a municipal, primary or general election (IC20-33-2-15); when subpoenaed to testify in court (IC 20-33-2-16); serving with the National Guard for no more than 10 days (IC 20-33-2-17); or serving with the Civil Air Patrol up to 5 days (IC 20-33-2-17.2). In each of these circumstances, the student is excused from school and is not to be recorded as absent, and is not to be penalized in any way by the school. The governing body of a school corporation may authorize the absence and excuse of a student who attends any educationally related non-classroom activity if the activity is consistent with and promotes the educational philosophy and goals of the school corporation; facilitates the attainment of specific educational objectives; is part of the goals and objectives of an approved course or curriculum; represents a unique educational opportunity; cannot reasonably occur without interrupting the school day, and is approved in writing by the school principal. (IC 20-33-2-17.5) Certain school trips fall under this exception, as well as individual student absences. Students have been excused from attendance to participate in various academic bowls, band or orchestra trips, for attendance at local, state, or federal government proceedings, or to hear various speakers or performers.

EXCESSIVE ABSENCES

Parents will be provided up to, but no more than, five (5) absences that will not require documentation. Absences specific to unexpected family emergencies and illnesses not requiring a doctor's visit apply to these

absences. Parents are still required to notify the school of a student's absence and are encouraged to provide documentation for all absences if available. Medical documentation will be required for any additional absences after the student has reached his/her 5th absence. Notification letters will be sent home to parents when a student reaches his/her fifth absence, per Clark-Pleasant policy, and again at his/her seventh absence, per Johnson County Juvenile Community Corrections requirement. A student who reaches ten (10) or more absences may receive an additional letter and a probable cause affidavit will be submitted to Johnson County Juvenile Community Corrections. Students with excessive absences the previous school year could receive notifications prior to the days listed above. All other absences will be counted toward the five (5) day absence limit. Absences for any other reasons other than those listed above are not allowed. A student may be recommended for expulsion from school due to excessive absences.

NOTIFYING THE SCHOOL OF ABSENCE(S)

When a student is absent, his/her parent or guardian **must** call the CPMS attendance hotline number or document in ParentVUE on a desktop or mobile app. For parent convenience, both are available 24 hours a day. The phone number is **535-2025, ext. 6500**.

PERFECT ATTENDANCE

Perfect attendance is defined as being in attendance every minute of every day that school is in session for the entire school year.

SCHOOL CLOSING

During inclement weather, it is possible that school might be closed or delayed in opening. Parents may be notified by email, text, voicemail, and social media. Please check the CPCSC website (www.cpsc.k12.in.us) and/or listen to local television and radio stations for announcements concerning the CLARK-PLEASANT COMMUNITY SCHOOL CORPORATION. Please **DO NOT** call the school or school officials. It is very important that all school lines and administrator phone lines be kept open for emergencies. **You may also call the "Transportation Hotline" for more information at 535-2025, ext. 8000.**

Announcements are made as early as possible. In the event that school is closed, all evening activities will be canceled.

TARDY TO CLASS

Students have 5/4 minutes in 7th/8th grade and 3/4 minutes in 6th grade to pass from class to class. To prevent tardiness between classes, students should report to the teacher of their next class on time and then receive permission to take care of any needs such as visiting the clinic, special passes, telephone, guidance, restroom, etc.

All tardies are cumulative until the last day of each semester. Teachers will log the tardies. Tardies to class (other than late-to-school tardies) will be handled by the individual classroom teacher with the following recommendations:

3rd – Lunch Detention

4th – Lunch Detention

5th – After School Detention

If tardies continue, further disciplinary action will be taken by the administration.

Reporting to 1st period after the 7:45 bell is considered late to school.

TRUANCY

A student that misses all or part of the school day without the school or parent's knowledge will be considered truant. The school will take strong disciplinary measures by filing a truancy report with the Johnson

County Juvenile Probation Department or Department of Child Services on every occurrence. Habitual truancy will be determined by CPMS administration and will be pursued according to State and Legal Guidelines.

EXTENDED ABSENCES

Education is the primary business of our students, and therefore parents/guardians and students must make it their first priority. Regular school attendance is essential to a good education. Any absence means that a student has missed being a part of the educational environment that day. **Absences of students caused by family travel are strongly discouraged. The days missed due to vacation will count toward the five (5) limit.**

CAFETERIA

Good nutrition is critical to student achievement. CPMS cafeteria offers nutritious options for breakfast and lunch each day. Student meals are designed to meet student preferences and provide key nutrients for growing children at a reasonable price. Eligible students may qualify for free or reduced-price meals. Applications for financial assistance are available on-line or in the school's main office.

Menus, meal prices, online financial assistance application, online payment (RevTrak) and other important information regarding our meal programs can be found at: www.cpcsc.k12.in.us click on School Meals.

CPMS offers a breakfast program for all students. The breakfast will be available for students from 7:30am-7:45am. Students should exit the bus at 7:25 and enter Door 13 or car riders should enter Door 1 and proceed immediately to the cafeteria. Only students eating breakfast should enter at this time. **Students are expected to be in Homeroom/first period at 7:45 a.m. or a tardy to school will be issued. Students must purchase the full breakfast in order to participate in the breakfast program.** All cafeteria rules and expectations apply.

CAFETERIA EXPECTATIONS

1. Students will choose a seat based on supervisor directives.
2. The table and floor should be clean prior to leaving the cafeteria

CHARGE POLICY

Parents/Guardians may pay for meals online through the CPCSC Webstore:
<https://clarkpleasant.revtrak.net/food-service/student-food-service/#/list>

Meal account balances can be seen in ParentVUE or by logging in to the [CPCSC Web Store](#). If you need an account set up, please call the Clark-Pleasant Corporation Information Services Help Desk at 317-535-3446.

MEAL DEFERMENT & NEGATIVE ACCOUNT BALANCES

Clark-Pleasant recognizes that circumstances may result in a student's need to defer payment for lunch or breakfast and shall permit deferments on occasion. CPCSC strives to handle negative meal accounts consistently. If a student defers payment for a meal, parents/guardians will be notified when the meal account reaches a significant negative balance of "\$5.00" in their account. Meal deferment slips will be sent home with students and Food Service managers will email or call parents. New funds that are deposited into a student meal account will first be applied to a negative balance (should one exist). All accounts must be settled by the end of the school year. Negative balances of more than \$10.00 will result in the attempt to collect unpaid funds by means of collection agencies, small claims court, or any other legal method deemed necessary by Clark-Pleasant Community School Corporation. Additional fees may apply.

Significant negative meal account balances shall not be permitted at any grade level. However, students will always be given a meal. Furthermore, if a student has a negative meal balance, the purchase of à la carte food and beverage items will be prohibited. Parents/Guardians, staff members, and adult community members shall not be permitted to defer payment of meals or à la carte items.

If a student repeatedly comes to school with no lunch and no money, Food Service employees must report this to the building principal, as this may be a sign of abuse or neglect and the proper authorities should be contacted.

It is anticipated that there will be special instances where provisions can be made regarding charges. Parents/guardians must make special arrangements for those charges with the Food Service Department.

PAYMENT PROCEDURES

CPMS uses a computerized meal payment system. This system creates and maintains an account for each student using his or her student ID number. Parents may prepay for lunches by the week, by the semester, by the school year, or in any dollar amount. Checks should be made payable to Clark-Pleasant Middle School Cafeteria (CPMS Café). Meal money should be sent separate from other fees (i.e. field trips, pictures). If sending a check, please write the student's **first and last** name on the memo line of the check. One check may be used to pay for brothers and sisters as long as they attend the same school. Please be aware that there will be a \$25.00 fee on all returned checks.

Add money to your child's meal account (MasterCard/Visa) from the comfort of your home. Visit our corporation home page: www.cpcsc.k12.in.us and click on School Meals.

LUNCH VISITATION POLICY

If you plan to have lunch with your child, please check in the school office. For safety and security purposes, your child will be called to the office to meet you during his/her lunch period. You may have lunch in one of the conference rooms in the office. Only visitors listed on the student contact list are allowed to visit with the student. In addition other students may not be invited to the lunch. Food brought from outside sources, with the exception of food students bring in the morning from home, may only be consumed in the office conference rooms. "Pizza Party" type lunches involving other students will not be permitted.

Please contact the office with any questions or concerns regarding this policy. We sincerely appreciate everyone's cooperation.

STUDENT SERVICES

The guidance office provides counseling service in careers, academics, scheduling, and personal problems to all students. The guidance office can make testing referrals.

Personal and school-related problems can and should be discussed with the counselors in an atmosphere of confidence and assistance. Students may be referred to counselors by themselves, parents, teachers, other students, or administrators. Counselors may also request conferences with students about matters of general interest.

Students are encouraged to become acquainted with their counselors. They are trained to listen and assist with students' concerns.

TELEPHONES

Students are permitted to use the office and classroom phones to contact parents when necessary. However, phone calls should be kept to a minimum and should involve only important and necessary information. Cell phones may not be used without permission. GENERAL INFORMATION

CONVOCATIONS

Convocations of various kinds will be held during the school year. These programs are designed to give students an opportunity to enjoy

additional educational experience outside the classroom. The assemblies may be educational, enriching, or inspirational. Assemblies are held during the school day and are considered a part of the total school program. Unless specified, all students will attend all assemblies.

Proper conduct of the entire student body is important at each program. Textbooks and other materials are not to be taken to the program. Any student who is removed from an assembly for inappropriate behavior may be prohibited from attending future assemblies and may receive additional school consequences.

CRIMINAL GANGS AND CRIMINAL GANG ACTIVITY

Pursuant to State law in order to address the detrimental effects of criminal gangs and criminal gang activity on its students, CPCSC adopted policy #5840 demonstrating its commitment to preventing and reducing criminal gang membership and eliminating criminal gang activity, educate Corporation students, employees, and parents about criminal gangs and criminal gang activity, and to comply with State and Federal laws and regulations.

The Corporation prohibits criminal gang activity and similar destructive or illegal group behavior on Corporation property, on buses owned by the Corporation or used to transport Corporation students, and at school-sponsored functions. The Corporation prohibits reprisal or retaliation against individuals who report criminal gang activity and similar destructive or illegal group behavior or who are victims, witnesses, bystanders, or others with reliable information about an act of criminal gang activity and similar destructive or illegal group behavior.

COURSE FEES

Each student is provided access to appropriate books and materials for classes for which there is a fee. The textbook rental fee is calculated according to accepted State Board of Account guidelines. **Payment for the textbook rental is due when posted and communicated.** Financial assistance is available for book rental by completing the required form to determine eligibility. However, parents are still responsible for the fees portion of book rental. This form may be picked up in the main office or downloaded from our website. **Failure to make textbook rental payment in full or establish payment arrangements will result in the account being turned over to a collection agency and subject to collection fees being added to the account balance.** Refunds will be made only to those students transferring to another school and prorated by the grading period. Each student is charged with the responsibility to care for books and eLearning materials in a reasonable manner. Fees will be charged to the student at the end of the school year for damages or loss.

BOOKSTORE

CPMS supplies and gym clothing may be purchased from the main office from 7:35 a.m. to 7:45 a.m.

DELIVERIES

Special gifts, such as balloons or flowers, may not be delivered to school. They will not be sent to the student's classroom.

DRILLS

TORNADO: Every classroom displays a sign directing students to designated shelter areas. Students and teachers are to go quickly and quietly to their designated areas when the tornado warning is activated. Students should sit/kneel (tucked into a ball) facing the wall with hands covering their heads. If there is no time to move to a protective shelter area, students and teachers should try to protect themselves by getting under a table or chair and covering their heads. These drills will be held two (2) times a school year. The tornado drill warning will be

announced over the intercom. **For student safety, CPMS reserves the right to hold students during a time of emergency.**

FIRE: During the school year, a fire drill is held once each month. Every classroom displays a sign directing students to safely exit the building. Students and teachers should move quickly and quietly to the designated exit. Students and teachers will remain outside the building until the signal for return is given. The fire warning is a continuous sound.

LOCKDOWN: During the school year, at least one lockdown drill is conducted during each semester. Additional and important information is shared with students and staff.

EARLY RELEASE

Bus riders will be released every Wednesday at 2:15 and car riders at approximately 2:22. The early release time will be utilized by teachers for professional development and collaboration to be great for kids.

ANNUAL NOTIFICATION OF RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

(1) The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school official will make the arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the school to amend a record should write to the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

(4) Directory information is "personally identifiable information" schools are permitted to disclose without the consent of the parent or eligible student. Directory information is defined as information in an education record "which would not generally be considered harmful or an invasion of privacy if disclosed. It includes, but is not limited to, the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance degrees and awards received, and the most recent previous educational agency institution attended." Eligible students and parents have the right to refuse the release of any or all of the information described above. Notice of student or parent refusal must be given to the school corporation within two (2) weeks of the student's enrollment, or the beginning of the school year, whichever is later. The notice must specify which types of information are not to be released by the school corporation.

(5) Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

(6) When requested, the high school is required to release student directory information to military recruiters unless the eligible student or parent has opted out of providing such information by signing a written request or the Denial of Permission form by the end of the student's sophomore year in high school.

(7) School will notify parents of students who are scheduled to participate in surveys or other activities that would request protected information of students. Parents have the right to opt his/her child out of participation of the specific activity or survey upon written notification within a reasonable time to the school principal.

(8) Anyone who wishes to challenge instructional material should contact the school principal where the instructional material is being used and he/she will inform the individual of the procedure for challenging instructional material.

(9) The right to file a complaint with the U. S. Department of Education concerning alleged failures by the School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office; U. S. Department of Education; 400 Maryland Avenue, SW; Washington, DC 20202-5920.

FOOD, DRINKS, CANDY & GUM

The vending machines are for after school events and turned off for students each day until after 3:00 p.m.

Eating of food of any type is to be confined to the cafeteria unless permissible by a classroom teacher. Candy, suckers, and drinks, etc. are not to be consumed in the halls. Gum may be permitted in class at the discretion of the individual teacher (Some teachers may allow gum, some may not).

Caffeinated drinks (including energy, coffee, and soda) are not permitted at school.

FUND RAISING AND SELLING OF ITEMS AT SCHOOL

CPMS sponsors fundraisers each year with voluntary participation for the individual students. For safety reasons, CPMS does not condone door-to-door sales.

Students participating in the school-sponsored fund raiser and/or any other group's fundraiser, will not be permitted to sell any item during the school day, between 7:25 a.m. to 2:45 p.m. Any exception must be given administrative approval. Non-approved or personal items are not permitted to be sold on school property/buses. Non-approved items will be confiscated and consequences may be applied.

SCHOOL LOCKERS

Each student is provided with a school locker for storage of book bags, school supplies, athletic bags, and coats. Lockers are loaned to students and remain the property of the school. Students should not share lockers or keep personal items in anyone else's locker unless approved by administration. Locker use will only be at designated times of the day. The school assumes no responsibility for articles lost or stolen.

Each student is responsible for the appearance and upkeep of his/her assigned lockers. Only school issued items may be displayed on the outside of lockers. Students can decorate the inside of their locker, but nothing should be used that will leave permanent issues like writing, paint, sticky residues, etc....

Lockers are provided for the storage of clothing and personal items during P.E. classes. It is the student's responsibility to see that the lockers are properly maintained and properly used. Items of value should not be kept in any P.E. locker.

LOST AND FOUND

Students are responsible for their textbooks, Chromebooks, chargers, library books, and other personal belongings. Students are advised to put their names in books, coats, glass cases, and gym clothing. Please do not bring valuables to school.

Books, school materials, Chromebooks, chargers, and other student items that are found are to be turned into the office. Any student who loses an item should inquire at the office to see if it has been found and look through the lost and found rack near the cafeteria. Items remaining in the lost and found will be discarded or donated to charities at the end of each month.

NON-CUSTODIAL PARENTS

Non-custodial parents have equal access to records, grades, teacher meetings, and school events unless the custodial parent produces a court order that limits the non-custodial parent's right to access records and participate in school activities or terminates the parental rights of the non-custodial parent.

Access to the child at school: Non-custodial parents **do not** have a right of access to the child at school unless they produce a court order specifically allowing for visitation at school. This presumption would cover having lunch with the child, visiting the child's class, and taking the child from school.

PESTICIDES

From time to time, it is necessary to apply lawn and pest control spray to our school lawns, athletic fields, and our school buildings. We try to apply these while students are not in the areas affected or during vacation days. Occasionally, these applications occur on school days. If you want to be notified prior to the application, please fill out the "Parent Registry for Notification" form found on the CPCSC website or stop by your school office to fill out the form.

PICTURE DAY

Students will have an opportunity to have individual pictures taken during registration. The purchase of these pictures is voluntary; however, the picture must be taken for the yearbook, ID and student records. Spring pictures will also be offered second semester and only students who would like to purchase pictures will participate.

STUDENT SAFETY

CPCSC Police Department Information

Our Clark-Pleasant Community School Corporation Police Department is led by Chief Chad Pryce. The school resource officers serving our schools are a combination of Clark-Pleasant police department and local police department personnel. The police presence is to not only promote safety and security but to help build relationships with students and staff. Our police department is located at the WCHS North Building and can be reached at 317-535-3226.

CPCSC Tip Reporting Service

Safety is one of our district's top priorities, that's why we're now using School Messenger Quick Tip, a tip reporting system that allows students, staff, and parents to submit safety concerns to our administration. To submit a tip, go to the school corporation website, www.cpcsc.k12.in.us, and click on the "Report an Incident" button then follow the steps outlined. Easily report tips on bullying, harassment, drugs, vandalism or any safety issue you're concerned about. Tips may be submitted anonymously, but it typically helps to provide names so that we can appropriately follow-up. Thanks in advance for helping to make our school community a safer place to work and learn! We appreciate your support.

Safety Procedures and Security

The middle school is monitored by surveillance cameras during the day. All doors are locked all day. Everyone entering the building must ring the buzzer at door 1 to contact the office for entry. Visitors sign in and out in the main office and wear a visitor's badge or name tag. Staff members are prohibited from opening a locked door to individuals not wearing visitor identification. Staff members are required to report to the main office any individual(s) not wearing visitor identification. All parents/guardians must pick students up from the office. Only parent(s), guardian(s), or other appropriate adults will be allowed to visit the school. Friends from out of town or other schools will not be allowed to visit classes. The staff has been trained in emergency response and is familiar with Clark-Pleasant's Crisis Intervention Guidelines.

VISITORS

In order to ensure safety, all visitors must show a driver's license or valid ID and obtain a visitor sticker or badge. Only parents, guardians or other approved adults will be allowed to visit the school. If parents want to talk to a teacher regarding their child, they are asked to call or email to schedule a conference. Only parents, guardians, or other approved adults will be allowed to visit the school. Friends from out-of-town or other schools are not allowed to visit classes. **Class visitations, if approved, require a 24-hour notice to administration.**

WITHDRAWAL OR TRANSFER FROM CPMS

Any student who is moving into another school district should notify the Student Services of this intent at least two (2) days in advance. On your last day at CPMS the proper withdrawal forms will be provided. If a refund is due from textbook rental, it will be mailed after the next school board meeting. Any debts should be paid immediately upon withdrawal.

WORK PERMITS

The minimum legal age for employment in the State of Indiana is fourteen (14). A verification of age (birth certificate, baptismal record, etc.) and a "State Intention to Employ" form #896, filled out by the employer, are required to obtain the permit. Form #896 and other information will be available from the office.

Students need to indicate the city and state in which they were born when obtaining the form. Occupations exempt from these regulations

are farm and domestic labor, golf caddies, newspaper carriers, and performers. Employment in any other occupation of a minor seventeen (17) years of age or younger, requires an employment certificate.

- The issuing officer at your school can refuse to issue a work permit if your grades or attendance do not meet the standards set by your school corporation.
- Your school can revoke your work permit if your grades or attendance drop after you have started working and school is in session.
- You can have only one work permit at a time. This means you are not legally permitted to work for two different employers at the same time.

CPCSC STUDENT AND HEALTH SERVICES

Parents/guardians have primary responsibility for the health care their children receive, but school clinics are available for emergencies, injuries, and illness that arise while the child is at school, in addition to management of chronic illnesses and special needs. Clark-Pleasant Community School Corporation is proud to partner with Community Health Network to provide nursing services to our district. **Students must have a "Consent to Treat" form on file in order to be seen in the clinic.** Students without permission will be seen for emergencies only. Your consent is made during re-enrollment in ParentVUE. Please speak with the nurse at your school if you have questions about the permission form.

CLINICS: The clinics are open daily during school hours. Students must have a pass to enter the clinic. Those without a pass will be sent back to class to obtain a pass. It is essential that phone numbers be updated if contact information changes during the school year. If the nurse is unable to reach a contact, the student will be sent back to class, unless there are signs of a contagious illness. If the student has an emergent or urgent health need and/or the parent or other contact cannot be reached, EMS may be contacted.

ILLNESS

Nursing staff will follow the guidelines, laws and recommendations of the Indiana State Department of Health to prevent the spread of communicable diseases.

Please do **NOT** send your child to school if one or more of the following symptoms are present:

- **Temperature above 100.0 degrees.** Indiana Department of Health Guidelines recommend that a student may return after 24 hours of being fever-free without the use of medication.
- **Conjunctivitis (pink eye), if considered contagious.** Student must be examined by a health care provider and approved for readmission to school. With bacterial conjunctivitis, exclusion is recommended until 24 hours after starting topical antibiotic therapy.
- **Impetigo, until treatment has begun.** Parents should be advised to keep contagious children home until 24 hours after starting topical or oral antibiotic therapy.
- **Scabies, until treated.** Students may return the day after treatment.
- **Head lice (Pediculosis)** Students will be sent home from school if they are found to have live lice or nits closer than ½ inch from the scalp. Upon return to school, the student must report to the school nurse and be cleared before returning to the classroom.
- **Uncontrollable vomiting or diarrhea with or without fever.** Students must be symptom-free for 24 hours without use of medication.
- **Ringworm, until treatment has begun.**
- **Undiagnosed rash if fever is present.**
- **Viral eye infection.** May return to school after a health healthcare provider states students are allowed to go to school.

- **Chicken Pox (Varicella).** Students must be excluded for six days from appearance of vesicles or until all vesicles have scabbed.
- **Strep Throat (A positive culture for Streptococcal throat infection)** The student must be excluded from school until he/she has had at least 24 hours of appropriate treatment and is without fever.
- **Pertussis (Whooping Cough).** Students must be excluded for 5 days while receiving appropriate antibiotic therapy.

The school nurse may request a doctor's note for return to school if there are symptoms of communicable disease. This will help prevent the spread of infection to others. Students who have had surgery may be asked to provide a physician's release to return to school.

Please be aware bus transportation should not be utilized if the child exhibits symptoms of a contagious illness.

MEDICATIONS

Physician-prescribed medication must be in the original, correctly-labeled, prescription bottle. All over-the-counter medication brought to school should be unopened prior to the nurse receiving it. Medication should not be transported by students in grades K-8. Medication for students in grades 9-12 may be transported by the student if the nurse has signed parent permission. For student safety purposes, all controlled medication should be transported to and from school by a parent/guardian. A physician's order is required for a student to carry emergency medication (i.e. EpiPen or inhaler) with them during the school day. All other medication must be stored in the clinic. Medication that can be given before and after school will not be administered during school hours by the nurse.

SUPPLIES: It is the parent's responsibility to provide any student-specific supplies that are needed on a regular basis at school. This includes clothing, hygiene items, equipment, food, etc.

The clinics possess wheelchairs for emergency response by school staff only. CPCSC cannot provide a wheelchair or any other medical supplies or devices, which are necessary for student injuries or recuperation from surgeries, including crutches, dressing supplies, wraps, splints, etc. Parents should contact their healthcare provider or insurance carrier if these devices are needed beyond the school's initial response.

IMMUNIZATIONS

Immunization records are reviewed at the time of enrollment, or whenever a change in the law requires additional immunizations for current students. Parents will be informed about changes in state laws pertaining to immunizations when it becomes available. New students may enroll but may not attend if the immunization record is not up-to-date with the current state requirements. Parents may contact the school nurse for further information.

OUT-OF-SCHOOL SUSPENSION (OSS): Out-of-school suspension occurs when a student is denied the privilege of attending school. Parents and students may request classroom work during the suspension by contacting the teachers. Credit will be given for academic work during OSS. However, all work must be completed and turned in the day the student returns to school. Offering a later or extended due date is at the discretion of the individual teacher. OSS could range from one day to ten days depending on circumstances. **Any student who is serving OSS will be prohibited from participating in or attending any extracurricular events on the day or days of the suspension.**

DIGITAL DEVICES

Personal Communication Device Guidelines(PCDG)

CPMS acknowledges and respects that many parents expect their students to keep and use a cell phone for various reasons. These devices are a part of daily life, especially in popularity with middle school students. Students must turn the devices off during the school day and keep them in lockers. Use of a Digital Device at CPMS is a violation and should only be used in the case of an emergency.

It is also true that digital devices can negatively impact schools. As a responsible steward of the educational process, CPMS acknowledges the misuse of personal communications device can:

1. undermine the learning environment;
2. disrupt academic instruction and distract students;
3. compromise the integrity of student testing;
4. increase disciplinary problems;
5. violate privacy rights of students and school staff; and,
6. increase the school corporation's exposure to opportunistic litigation and potential legal liability.

In an effort to prevent the above mentioned negative educational impact, students are expected to meet the CPMS Personal Communication Device Guidelines (PCDG).

1. Devices must remain turned off during regular school hours.
2. Personal communication devices should not be used in a way that interferes with learning or school procedures. Devices are not allowed to be used in class or the hallways unless given permission by staff. Teacher and administrative discretion will determine appropriate use.
3. Students may not take or share pictures or videos without CPMS staff permission.
4. Exchanging messages that disrupt the educational process. These may include but are not limited to:
 - Texting that creates conflict or what is sometimes referred to as “drama”
 - Texting threats or harassing messages
 - Texting any message that impairs or prevents the learning process
 - Texting or sharing anything that in any way that violates a CPMS Student Handbook Guideline or Indiana law

Potential consequences for most violations of PCDG:

Step One

Loss of device for one school day. The Acknowledgment of Further Consequence Form must be signed by a parent or guardian and returned the following school day.

Step Two

The device is dropped off with the BASE teacher before 1st period, and retrieved after school for one week. During that week, any use of electronic devices (including that of another student's device) may

result in an office referral and further consequences, possibly for both students. The Acknowledgment of Further Consequence Form must be signed by a parent or guardian and returned the following school day.

Step Three

Loss of personal communication device privilege for remainder of semester or length of time determined by administration.

All personal communication devices are left at home. On step three, possession of any personal communication devices on school property may result in an office referral with appropriate consequences as determined by the administration. The Acknowledgment of Further Consequence Form must be signed by a parent or guardian and returned the following school day.

Step Four

Any student who continues to bring/misuse a device after Step 3 will receive additional consequences for each violation.

Thursday School

Step Five and Beyond

In School Suspension

Out of School Suspension

or Expulsion

A personal communication device is the responsibility of the student and Clark-Pleasant Middle School will not be responsible for damage, theft or loss of the device or the investigation of such issues.

CPMS administration reserves the right to investigate and address violations of additional school district policies, guidelines, rules, or procedures, as well as local, state and federal laws, whether civil or criminal. Appropriate consequences to individual cases may vary from the above steps and law enforcement could be contacted if warranted due to the nature of misuse.

STUDENT DRESS AND APPEARANCE

Students will dress in a way that shows self-respect and respect for others to limit disruptions and establish safety within the instructional environment. Some styles of clothing and the manner in which the clothing is worn may be considered inappropriate and may be prohibited. Compliance of the student dress and appearance guidelines will be checked daily during 1st period. Students who have questions about particular types or items of dress should speak with a teacher, counselor or administrator.

If a student violates the dress and appearance guidelines, every attempt will be made to rectify the violation immediately so the student can return to class. The administration or counselors may recommend that the clothing be changed. If necessary, the student may call home to rectify the situation. If this contact is not possible, the student will be loaned appropriate clothing or will be required to work in the BASE room for the remainder of the day. Dress and appearance violations will be documented and repeated occurrences will result in appropriate disciplinary action.

Students will follow these guidelines:

Upon receipt of proper notice, any parent, guardian or custodian who refuses to comply with a request from a school official to participate in the resolution of behavioral problems of a student whose conduct is repeatedly disruptive to the student's own educational progress or to the progress of others may be referred to the Child Protective Services Division of Public Welfare.

SEARCHES

Pursuant to board policy, the following guidelines shall be used when school administrators have reason to suspect that an illegal or dangerous substance or object or stolen property may be in the possession of a student:

- A. All requests or suggestions or the search of a student or his/her possessions shall be directed to the principal or the person in charge of the students while out of the Corporation.
- B. Wherever possible, before conducting the search, the building administrator shall notify the student, request his/her consent to the inspection if other than his/her locker, and inform the student that s/he may withhold consent. Such consent, if offered, shall be given voluntarily and with the knowledge that it could have been withheld. The principal may conduct the search with or without the consent.
- C. Whenever possible an adult third party shall be present at any search of a student or his/her possessions.
- D. The principal may conduct a student search upon reasonable suspicion to suspect the presence of an illegal or dangerous substance or object, or anything contraband under school rules.
- E. The principal shall be responsible for the custody, control, and disposition of any illegal or dangerous substance or object taken from a student, whether during a student search or otherwise.
- F. Wherever possible the student shall be present at any search of his/her possessions.
- G. The principal shall be responsible for the prompt recording of each student search. The record shall be in writing and shall include the reasons for the search, the persons present, the disposition made of them, and shall be kept in a secure location in his/her office.
- H. Whenever the search is prompted by the reasonable suspicion that possession of a substance or object immediately threatens the safety and health of the student or others, the principal shall act with as much speed and dispatch as is required to protect persons and property in the school while keeping clearly in mind the student's rights and the potential consequences of inappropriate or hasty action.

REASONABLE SUSPICION

As used in this section, "reasonable suspicion for a search" means grounds sufficient to cause an adult to believe that the search of a particular person, place, or thing will lead to the discovery of evidence that the student:

- A. Has violated or is violating a rule or behavioral norm contained in the student handbook; or
- B. Has violated or is violating a particular law; or
- C. Possesses an item or substance which presents an immediate danger of physical harm or illness to students and staff or Corporation property.

Lockers and Other Storage Areas Provided for Student Use

- A. All lockers and other storage areas provided for student use remain the property of the Corporation. These lockers and storage areas are subject to inspection, access for maintenance, and search pursuant to these guidelines. A student using the locker or storage area has, by statute, no expectation of privacy in that locker or storage area or the contents contained therein. No student shall lock or otherwise impede access to any locker or storage area except with a lock provided by or approved by the principal. Unapproved locks will be removed and destroyed.
- B. The principal may search student lockers and storage areas and the contents contained therein at any time for any justifiable reason.
- C. The principal may, at any time, request assistance of the Police Department having jurisdiction over the facilities of the Corporation.

DESKS AND OTHER STORAGE

A desk or any other storage area in the school provided for student use as well as the contents contained therein, may be searched when the principal has reasonable suspicion for a search.

STUDENT

- A. The personal search of a student may be conducted by the principal or designated building administrator who has reasonable suspicion for a search of that student.

In addition to their lockers, and according to applicable judicial standards, students may be subject to reasonable searches of their vehicles, jackets, pockets, shoes, socks, electronic devices, book bags, purses, or other similar or related items that they possess at school

Authorized searches of the student's person are:

1. searches of the pockets of the student;
 2. purses, briefcases, or any other object in the possession of the student;
 3. removal of an article of exterior clothing such as a jacket.
- B. Personal searches shall be conducted in a private room by a person of the same gender designated by the principal. At least one (1) but not more than three (3) additional staff members of the same gender as the student being searched shall witness but not participate in the search. At the request of the student to be searched, an additional person of the same gender as the student designated by the student and reasonably available on school premises, shall witness the search. The student's parents shall be notified of the search as soon as reasonably possible.
 - C. Strip searches are to be conducted only by law enforcement personnel.

METHOD OF SEARCH

The scope of any search should be limited by the reasonable suspicion that motivated the search. Searches can be conducted via metal detection device/wand, if necessary. If an item is found that leads

to reasonable suspicion that additional, correlated items may also exist, the search may be extended. If the initial search produces no evidence of contraband, there should be no extension of the search based on simple curiosity.

ITEMS FOUND

Anything found in the course of a search which is evidence of a student violation of school rules or Federal/State laws may be:

- A. seized and admitted as evidence in any suspension or expulsion proceeding if it is tagged for identification at the time it is seized and kept in a secure place by the principal /designee until it is presented at the hearing.
- B. turned over to any law enforcement officer after proper notation and receipt.

POSSESSION OF WEAPON

A staff member or student who has reason to believe that a person on school property or at a school-related activity possesses or will possess a weapon shall report the possession to the school principal or the supervisor of the activity. The report should include as much detail as possible concerning the person possessing the weapon, the type of weapon, the location of the person, and the evidence the belief is based upon. No student is to confront the person possessing the weapon, but a staff member has the option of confronting the person if the staff member believes the risk of injury to self or others is minimal or if immediate action is necessary to prevent probable injury to any person.

A principal or activity supervisor receiving a report of weapons possession shall have their option of conducting a search for the weapon in accordance with the corporation's Search or Seizure policy, or contacting the Police Department for assistance. Any interaction with the person should have as its objective the safety and welfare of people in the area rather than the possession of the weapon.

For purposes of this guideline, a weapon is defined as "any instrument capable or appearing to be capable of causing serious bodily injury to a person" such as all loaded or unloaded firearms, pellet guns, b-b guns, inoperable replica firearms, knives, stun guns, other "look-alike" weapons, and chemical agents such as tear gas or pepper gas.

SECURITY/VIDEO SURVEILLANCE

For your protection our building and school grounds are monitored by surveillance cameras. School grounds include buses as well as before and after school events. Video may be reviewed and used as evidence for disciplinary action and/or criminal prosecution. Students are prohibited from wearing hats and hoods during the school day as these and similar accessories can obscure visual identities and hinder the discipline process.

UNLAWFUL ACTIVITY

A student may be suspended or expelled for engaging in unlawful activity on or off school grounds if the unlawful activity may reasonably be considered to be an interference with school purposes or an educational function, or the student's removal is necessary to restore order or protect persons on school property. This includes any unlawful activity meeting the previous criteria that takes place during weekends, holidays, other school breaks, and the summer period when a student may not be attending classes or other school functions.

TECHNOLOGY

Acceptable Use Policy and Student/Parent Agreement

Clark-Pleasant Community School Corporation (CPCSC) considers technology integral to our learning environment and believes that it

will only continue to grow in importance. In this age, students denied access to modern technology resources would be as unable to function in the learning environment as students denied books or pencils.

Therefore, given that a wide variety of digital electronic devices and Internet-based technologies are utilized at all grade levels across the curriculum in support of teaching, learning, and assessing traditional and technology standards, given that many traditional resources are now available online only, and given our requirement and obligation as a school district to teach technology standards and digital citizenship, **the use of modern educational resources such as computers and the Internet is an acknowledged condition of enrollment** at CPCSC.

This Acceptable Use Policy is intended to promote responsible use and protect students and the school corporation from liability resulting from any misuse of the school-issued device. Technology, on or off-campus, must be used in accordance with the mission and philosophy of Clark-Pleasant Community School Corporation as well as the rules stated in the Student Handbook. These rules apply to all school computers, all school-provided electronic devices wherever used, all uses of school servers, and Internet access and networks regardless of how they are accessed. Teachers may set additional requirements for use in their respective classes.

All technology equipment issued by the district remains the property of CPCSC at all times. Therefore, there is no assumption of privacy. CPCSC reserves the right to inspect student devices at any time during the school year. Misuse of the device may result in disciplinary action.

Above all, the technology is provided for educational purposes, and the policies governing the use of the device support its academic use.

Digital Citizenship

Clark-Pleasant Community School Corporation aims to educate holistically, developing students to become lifelong learners and productive members of society. In a growing digital society, CPCSC strives to prepare every student to be a positive digital contributor and a responsible digital citizen, focusing on Internet safety, privacy and security, creative credit and copyright, cyberbullying, and online reputation.

Responsible Use of Technology

It is important that users understand their responsibilities and conduct themselves as responsible learners at all times. The following statements represent the students' agreement about the responsible use of technology:

I Will:

- Bring any school-issued device to school fully charged each day.

Using School-Issued Devices Outside of School

- Students with a school-issued device are expected to use the device for educational purposes at home and other locations. Wi-Fi connection is encouraged but not mandatory. Applications can be used while not connected to the Internet.
- All content is filtered by the CPCSC network no matter the location.
- All expectations and policies apply to school-issued devices no matter the location.

Privacy

- There is no expectation of privacy. Students should have no expectation of confidentiality or privacy with respect to any usage of a device, regardless of whether that use is for school-related purposes or not, other than as specifically provided by law. CPCSC may, without prior notice or consent, log, supervise, access, view, monitor, and record use of a student device at any time for any reason related to the operation of the district. Teachers, school administrators, and the Technology Department may run usage reports as deemed necessary. Parents and guardians are highly recommended to continue to monitor their student's device usage at home. Working together as a team, we can ensure that all students remain safe and are using devices to leverage the best educational experience available.
- Students may be selected at random to provide the school-issued device for inspection. The purpose for inspection will be to check for proper care and maintenance as well as inappropriate material being carried into school.
- CPCSC balances the educational value of online resources with any privacy concerns that they may present. On occasion, CPCSC and CPCSC staff may leverage necessary online educational resources, such as *G Suite for Education*, that collect basic information, such as a student's first and last name and school-issued email address, based on the provider's policy and practices of safeguarding such information.

Transporting Devices

- Each student that is issued a device will also be issued a protective case that must be used at all times.
- Each student must transport devices with care and inside the issued case.
- Do not place textbooks on the device or inside the issued case.
- Do not stuff the device/case in a book bag; extreme pressure on the device can cause permanent damage to the screen and other components.
- Do not leave pens, pencils, earbuds, or other items inside the device as these can cause the screen to crack and break when the device is closed.
- Never open the device by pushing on the touch screen.
- Never pick up the device with the screen open.
- Devices cannot be used in the cafeteria.
- Never leave the device in a car or bus. (Extreme temperatures can damage the battery.)

Liability

The parent/guardian/student is responsible for the cost to repair and/or replace the device, case, or charging cable/charger if the property is:

- not returned
- damaged
- lost
- stolen

All repair/replacement scenarios will be evaluated on a case-by-case basis, with a final decision being made by the building administration team if and when necessary.

Personal Safety

- Users should recognize that communicating on the Internet brings associated risks.
- Users should carefully safeguard their personal information and that of others.
- Users should never share personal information, including phone number, address, social security number, birthday, or financial information over the Internet without parental and/or teacher permission.
- Students should never agree to meet someone they meet online in real life.
- If the user sees a message, comment, image, or anything else online that makes him/ her concerned for his/her personal safety, it should be brought to the attention of school personnel or a parent immediately.

Media & Games

- Inappropriate media may not be used as backgrounds or as a profile picture. The presence of such media will result in disciplinary action.

Restrictions & Limitations

- All devices have content filtering installed which will apply outside of school as well. (For example, if a student cannot access a social media site like Facebook at school, they will not be able to access it at home either.)
- CPCSC and Five Star Technology Solutions' personnel have the authority to run access reports for every device.

Damaged/Lost/Stolen Devices

- Users must report any damaged, lost, or stolen devices to school authorities.
- Users must bring damaged devices to the school's designated area.
- The device case distributed to students is specifically designed to protect the device. Damaged devices that are not in a district-issued case may result in becoming the financial responsibility of the student/parent.
- Students may be responsible for the full cost of technology for intentional or malicious damage.
- Devices that are stolen within the school building should be reported to building administration.
- Devices that are stolen outside the school building and beyond should be reported to law enforcement. A copy of the police report should be submitted to school administration.

Chromebook Device Repair/Replacement Fee

- CPCSC will offer device replacement coverage for the Chromebook. The cost of the policy will cover one repair/replacement of the device should an accident occur that damages the device. This cost of this coverage is automatically added to book rental each school year.

- If a parent/guardian declines the school provided replacement plan, please contact the school office for an opt-out form. Please note that if you opt out of the plan, full replacement and repair charges will be applied.

Progressive Technology Consequences

Low-level, first-time infractions will receive lesser consequences than infractions that are repetitive or more serious in nature. Each technology usage infraction will be evaluated by staff, and consequences will align with the progressive discipline options located in the student handbook.

BEHAVIORS AND DISCIPLINE RELATED TO TECHNOLOGY USAGE

The following section outlines expectations pertaining to usage on a daily basis. This includes discipline and consequences for failure to meet those expectations. Consequences may escalate to higher punishment depending on the severity of the infraction.

****Each instance of failure to comply will be reviewed and handled on an individual basis.***

****Technology infractions will be a part of the school's discipline system.***

TRANSPORTATION

If your children ride the bus they are expected to follow the rules made up by each bus driver, the Transportation Department, CPMS, and the State of Indiana to best ensure the safety of each child. Most rules and guidelines are mandated by State law and must be followed closely.

Indiana Code explains that riding a bus is not a right, but a privilege; this privilege may be withdrawn by the school whenever a student is so disruptive on the bus that it creates a safety hazard. CPMS will take the necessary steps to prohibit that student from riding a Clark-Pleasant school bus. If a student is denied bus riding privileges, it will be the parent's responsibility to provide transportation to and from school.

Bus zones are set up in areas that are a certain distance from the school, or in areas of heavy traffic, and any and all students in those areas may ride the bus as long as they conform to our rules and regulations. The buses will include students in grades 5-8.

EXPECTED BEHAVIOR

The driver needs to have all his/her attention on driving safely. All riders must obey any and all instructions given to them by the school bus driver. The following link is a copy of the CPCSC Student and Parent Transportation Handbook. It includes all rules and expectations for students. In addition students are expected to follow the list of rules and regulations, which are to be observed and obeyed by all persons riding Clark-Pleasant buses:

1. Students shall be seated immediately upon entering the bus. Assigned seating will be used by the driver and the student must sit in his or her assigned seat.
2. Students shall not stand or move from place to place while the bus is in motion, including as students depart during the p.m. route.
3. Loud, boisterous, or profane language shall not be tolerated. Indecent conduct, verbal abuse, use or racial/ethnic remarks, or derogatory names are also not acceptable.
4. Students shall not be allowed to tease, scuffle, trip, hold, hit, or use their hands, feet, or body in any objectionable manner.
5. Students shall not leave their seat until the bus has come to a full stop and the door is opened by the driver.
6. Windows or doors shall not be opened or closed by students, except by the permission of the bus driver. Windows will not be opened more than halfway.
7. Students should be waiting at the bus stop when the school bus arrives. The school bus driver will stop and look for students, then continue on route.
8. Upon recommendation of the bus driver, school authorities may deny privileges of riding the school bus to students who refuse to conduct themselves in a courteous manner on the bus.
9. The school bus driver has the same authority and responsibility as a teacher.
10. Safety is the prime concern in student transportation; thus, the driver and school authorities shall maintain discipline on the school bus. Students disobeying safety rules will be denied riding privileges.
11. All items carried on the bus by the student must be held on the student's lap. All toys and/or personal items should remain inside the student's bag. Interfering with the possessions of others will not be tolerated.
12. Students are not allowed to bring food, drinks, or chewing gum on school buses. The approval of drinks and food on long trips can be negotiated with the driver.
13. Students must keep head, hands, and feet inside the bus at all times.
14. Smoking is not allowed at any time.
15. Bus drivers will prepare and practice emergency unloading with the students at least two times per school year.
16. Transportation will be denied for poor behavior.
17. All other applicable CPMS rules apply.

MISCONDUCT PROCEDURES

The bus driver will write up each offense on a Bus Conduct form and give all copies to the assistant principal and/or dean. The bus driver will contact the parent to explain the conduct. The principal/assistant principal/dean will inform the parent of any disciplinary action taken and communicate the possibility of terminating the student's transportation on a Clark-Pleasant School Bus. An electronic copy of the bus misconduct will be maintained.

The Transportation Director or his/her designee may withdraw a student's privilege of riding a school bus even if the student has not had previous misconducts.

For minor and intermediate infractions, the Transportation Director or his/her designee may warn and suspend a student from his/her bus for a period up to five days. The following guidelines will be used:

- 1st Referral – warning/ verbal reprimand/ parent contact
- 2nd Referral - Probation and minor in-school consequence
- 3rd Referral – 1 day bus suspension/ parent contact
- 4th Referral – 3 day bus suspension/ parent contact
- 5th Referral – 5 day bus suspension/ parent contact
- 6th Referral – removal from the bus for a period to be determined/ parent contact

Seat belt Policy

Students are required to wear seatbelts while on buses equipped with lap/shoulder belts. If a student does not wear the belt then the Transportation Department or designee will speak with the student and/or parent and apply the following consequences:

- 1st offense is verbal warning from driver
- 2nd offense is written warning and call from transportation
- 3rd offense is 1 day bus suspension and call from director/designee
- 4th offense is 5 day bus suspension and call from director/designee
- 5th offense is bus suspension for the remainder of the year.

The Transportation Director or his/her designee has the right to remove a student at any time from the bus without regard to the preceding steps, if he/she commits an offense for which immediate removal is specified as a penalty, or the student's continued presence would be contrary to the well-being of the district or any of its staff or other student's. **Any severe violation will also be brought to the attention of the CPMS administration and can result in substantial school consequences and bus suspensions.**

Termination of the bus-riding privilege over five (5) days will be the responsibility of the Transportation Director, CPMS administration or their designee. In case of suspension, the principal or designee will contact parents to notify them of the suspension and determine the date of suspension. Unless there is a vacation, the student will serve the suspension the day after the write-up. If the infraction is serious enough, the principal can determine a suspension schedule at his/her discretion.

RIDE ON ASSIGNED BUS ONLY

In order to ensure the safety of the students of Clark-Pleasant Community School Corporation, students must ride only their assigned bus. Bus passes will NOT be issued unless there is a documented emergency requiring a student to ride to a different drop-off location. Upon written request to the school office, a parent may request a one day change in transportation due to an emergency. The request must be approved by an administrator. The school will then issue a one day pass allowing the child to ride a different bus home. School offices may contact you regarding the purpose of the pass and offer suggestions for alternatives. If a student or parent requests a bus pass he or she must present a written note signed by a parent to the front office by 10:00 am. on the day of the request. Failure to provide the written request in a timely manner will result in denial of the bus pass. Bus passes will be issued by the discretion of the building principal or designee.

It is possible for a student to permanently ride one bus in the morning and another in the afternoon due to childcare arrangements. Parents need to call the transportation department at 535-7255 in advance to complete the necessary documents.

As always, we appreciate the support of our parents as we work to ensure the safety of our Clark-Pleasant students.

WAITING FOR THE BUS

Students must stay back at least ten (10) feet from the edge of the roadway and clear of all traffic. Do not push, shove, fight, or play while in line. Wait until the bus has completely stopped and the door opens before moving toward the bus entrance.

Students that must cross need to wait until the driver signals them to cross. Students may cross **only** in front of the bus and no other location.

Be at the bus stop on time. Students must be at the bus stop ten (10) minutes prior to the scheduled pick-up time. Buses will not wait for tardy students nor will buses be sent back for tardy students. Parents need to have a contingency plan in the event their child misses the school bus.

Both parents and students are responsible for conduct at the bus stop, from home to the bus stop, and from the stop to home. Students are considered under school authority when the bus driver arrives at the bus stop.

Parents, if you have busing concerns or questions for the driver, please call the transportation center. Approaching the bus while at the bus stop is very dangerous and is not the appropriate place or time to address concerns.

WALKING AND RIDING BICYCLES

Students are discouraged to walk, ride bicycles, or use other forms of personal transportation (motorized transportations of any kind: bicycles, motorcycles, skateboards, scooters etc.) to and from school. Middle school students are not permitted to drive to school.
