Dear Parent(s),

During the past two weeks I have been observing the arrival and dismissal procedures that we have in place at Imagine Weston. As you know we have many students waiting for pickup at carpool. Some parents are bypassing the black rope and walking through the carpool students to pick up their child(ren).

In addition, parents who are picking up their child(ren) by car are not displaying the sign with their child's name on it on their dashboards. If your child is designated as a student for carpool you must go through the carpool line.

Please assist us in correcting these issues as we want to ensure the safety of all of our students. Thanking you in advance.

Sincerely,

A handwritten signature in blue ink that reads "Sherry Krubitch". The signature is written in a cursive style with a large, stylized initial 'S'.
