Yearbooks can be purchased online at Jostens.com or at school for \$40. After Oct. 25th, books bought online will be \$45 and books ordered through the school will be \$50 until May 8th. You may write one check if you would like to purchase the ad and the yearbook at the same time, but please write it in the memo. If you order online, do not turn in an order form or money to the school.

PICTURES and DESIGN

You are more than welcome to draw out a design yourself with colors or patterns you would like; however, we cannot guarantee that we can oblige everything you ask for. Also, the yearbook staff has certain design abilities that you may not be aware possible, so our advice is to let us design something and you will have the ability to approve it before it goes to the printers.

Please choose the number of pictures you would like that corresponds with the template you want to use. (See the attached templates.) Hard copies will be returned as soon as possible. Please put senior's name on the back of any hard copies and name your flashdrive/CD, so when it is plugged in, we will know to whom it belongs.

MESSAGE: (the size of the message will depend on the space size and number of pictures.) Write it just how you want it to read, including who it is from. For example, Love, Mom and Dad.
