

# SENIOR RECOGNITION PAGE ORDER FORM

Parents, if you plan to order space in the back of the yearbook for special recognition of your senior, it is strongly encouraged to order both the space and yearbook at the same time. Too often, a space is bought and the parent/senior forgets to buy their yearbook. Space is limited for senior recognition and is sold on a first come first serve basis. To secure the space for your senior, your full payment, template choice, the page message, and most of the pictures are due at the time of purchase. All will be returned to you if this requirement is not met. No spaces will be held for anyone. It is understood that senior pictures are sometimes not taken until late in the year, so we will wait to send the pages to the printer until later in the year, however the yearbook staff needs everything else to complete the space as much as possible before Thanksgiving Break. The staff needs time to upload pictures, create the page, be graded for their work, get the approval of the buyer, make necessary changes, and move onto their next page assignments. They cannot wait until the last minute to get what they need. Even though we will take orders until all is sold, waiting too long is not recommended because spaces can go quickly. To order a senior recognition space, turn this form into Mrs. Bryan with everything required.
