Student Presentation Evaluation

How to Give a Presentation

- ❖ Student presentations at each site should take between 3-5 minutes.
- ❖ You should expect to hear/see the following elements to each presentation:
 - Welcome the group to the site.
 - Tell the group what the site is.
 - Give their presentation noting historical significance, stories, etc.
 - Once you have finished your presentation, ask if there are any questions.
 - After their formal presentation, they must invite the group to walk around and tour the site - if the individual tour site permits. They must give guidelines for behavior and
 - When the group has finished touring, they must ask if there are any additional questions.
- ❖ Once additional questions are completed, lead your group out of the site and follow the red line to the next site.
- ❖ Rate each presentation on the criteria and scale listed under each site. 0-Low.....5-High
