Theories on the Origin of Government

Directions: Use your notes to decide which of the four theories on how governments began is most realistic to you. Then, create a cartoon that depicts that first moment when government started. Use the space below to create your cartoon. It should use words or thought bubbles, be detailed, and colorful. It should also demonstrate your understanding of that theory.

A large, empty rectangular box with a dark blue border, intended for the student to draw a cartoon depicting the first moment when government started, based on their chosen theory.
