

Name _____ Date _____ Period _____

Continents and Oceans

Directions:

1. Label the continents inside the continent shape. You may not abbreviate continent names.
2. Label the oceans in the correct space.
3. Spelling counts so be sure to write neatly.
4. In the chart below, fill in which continent is in each hemisphere. Remember, a continent can (and should) be in more than one hemisphere! You may abbreviate continents here.

Hemisphere Chart

Which continents appear in which hemisphere. Look carefully

Northern

Southern

Eastern

Western
