

# Presidential Candidates & Issues Research Project

## Directions:

1. You will investigate the candidates and the major issues in the 2020 Presidential campaign.
2. Your product will be Google Slides that presents the information you have gathered.

## The project must include:

1. Title Slide: Title of your choosing, your name, period, and due date.
2. Candidate #1 Slide: a picture of the candidate, 5 biographical facts, 3 experience facts
3. Candidate #2 Slide: a picture of the candidate, 5 biographical facts, 3 experience facts
4. Five issues slides: Statement of the issue, your opinion, the stance of each candidate AND at least one video or text quote directly from the candidate on the issue.
5. Each of the slides above must contain links to the source(s) you used to gather information presented on that slide.
6. Your summary statement of which candidate best represents your ideas on the five issues you have selected as most important to you.

**Statement of Issue**  
1-3 Sentence overview of the issue without introducing the different sides. Issue may be introduced as a question.

**Your Opinion/Ideas**  
3-5 Sentences describing your ideas and how you feel about the issue. You might include why this issue is important to you or even questions you have.

\*Recommendation: Think through the issue BEFORE you study what each candidates' position is.

**Superman**  
Candidate's ideas and statements on the issue. Include quotes and links to video of the candidate's speeches, interviews, Tweets, etc.

**Storm**  
Candidate's ideas and statements on the issue. Include quotes and links to video of the candidate's speeches, interviews, Tweets, etc.
