

You are the Historian Game

Use the link on the web page.

Directions: You will engage in an interactive online game that dives deeper into the daily lives of both the Pilgrims and the Wampanoag people, leading up to truths about the first Thanksgiving. In order to receive credit for this, you need to do the following:

- Complete each of the 4 levels (locations)
 - Levels have various activities such as primary source reading and matching
- At the end of each level, a password will be given to you to write down
 - Passwords:
 - Location #1: _____
 - Location #2: _____
 - Location #3: _____
 - Location #4: _____
- Location #5 can be unlocked only once you have completed the other levels.
- Once you are finished, fill in your name when prompted to “print” the certificate.
Screenshot the certificate and email it to me.

Helpful Hints:

- During the “text exchange” sections, you just have to listen and click “reply” or “open” for the dialogue to continue. There isn’t a way to avoid this.
- During the matching activities, use the looking glass to hear more about an item. However, if choosing it as the answer to something, click on the word itself.
- During the primary source document activities, there is a read aloud feature. There is also a glossary, which is listed in alphabetical order.
