English American Ideas

When the English colonists came to North America, they brought with them English ideas. Over time, those ideas began to change and develop into American ideas and ideals.

Your group will investigate one of those changing ideas and create an infographic to be displayed and/or shared to teach others about the topic.

1. English Rights and Traditions Ch. 4 Lesson 2 p. 92-94
2. Colonial Education Ch. 4 Lesson 3 p. 98
3. The Great Awakening Ch. 4 Lesson 3 p. 98-99
4. The Enlightenment Ch. 4 Lesson 3 p. 99
5. Ideas of Freedom and Civic Virtue
