

ARTICLES OF THE CONSTITUTION

Directions: The Constitution is the supreme law of the United States. It is made of a Preamble and 7 different articles that describe how the government is organized.

Cut out the complete shape below then fold down the 7 flaps along each side. Glue the shape down into your notebook where indicated then **summarize the Preamble in your own words** in the center. On the reverse side of each flap, **describe the purpose of each Article and what aspect of government it deals with.**
