POPULATION CONCEPT POSTERS

Directions:

1. In your group you will create a poster **illustrating** your assigned population or culture concept. Circle your assigned concept:
 - ◆ Population Density
 - ◆ Population Distribution
 - ◆ Population Movement
 - ◆ Population Growth (includes birth rate and death rate)
 - ◆ Challenges from Population Growth
2. Review your assigned concept – you must understand the concept before beginning the poster!
3. Your poster must include:
 - A Title at the top and center
 - Your names in the bottom right corner
 - The date of completion under your names
 - All illustrations and other materials must fit onto the space of the poster ... no pieces of paper hanging off the construction paper.
 - Illustrations of your assigned concept
 - Illustrations may include:
 - Pictures, Sketches, Drawings, Single Words or very short phrases
4. Before you begin searching for illustrations, you must develop a list of specific images you believe will be good examples on the back of this paper.
