ALL ABOUT ME

I can't wait to learn about you, but first, let me tell you a little bit about me.

I was born in Hartford, CT and lived in Connecticut, Rhode Island, and Massachusetts before I even really began school! My family moved to Michigan just before I entered 1st grade, and that is where I grew up. I have also lived in Arizona, where I graduated with a BA in elementary education and Texas, where I began my teaching career.

This is my third year at Pine View, but it will be my 24th year teaching. I started my career teaching 3rd grade in Texas. After 2 years, I decided to move home to Michigan and taught 3rd and then 2nd grade in Detroit. For the following 17 years, I taught in a small rural community in Michigan. I spent my first year there teaching kindergarten in the mornings and 5th grade social studies and writing in the afternoons. I then spent 12 years teaching second grade and 5 years teaching 5th grade before moving to FL in 2017.

When I am not teaching or planning awesome things for us to do in the classroom, I can be found reading for one of my four book clubs., working on my art, pet sitting, educating about essential oils, learning about things that interest me, and spending time with family and friends. I also love to travel whenever possible. My favorite trip was a cruise to Greece, Turkey, Israel, and Egypt.
