

### Make a New Year's Change!

Write your New Year's Resolution on the lines. Give the baby your face. Color the baby. Cut out and fold the diaper to cover your promise. Pin the diaper together with a paper clip.

Note to teacher: Put the babies on a bulletin board. After a time, open diapers to see if students have made the change.

A resolution is when  
you decide to do some-  
thing.
