Symbols and Articulations		

As you read, use your symbols to help you identify the striking elements of the text. Articulate (explain) why you identified the selected line numbers as important *, questionable/confusing ?, surprising !, funny LOL, or your favorite part •. Be clear and concise with your articulations. See examples provided.

Focus on the following portions of text: 17-31, 68-82, 154-161, 272-283, and 383-391.

Line Numbers	Symbols	Articulations
11	LOL	Her nickname is "Scoot". I have never heard of Scoot as a nickname. It's funny, but I like it. I wonder where she got that nickname from or why they call her that.
13	*	Scoot knows safety protocol on a sailboat. Would I know these things if I were on a boat? Probably not.
