- (CC3) Lesson 2.1.3 # 2-25, 2-26
- Review Preview Problems Lesson 2.1.3 (CC3) #2-29...2-32

Are there summaries for each set of notes? _____ Were missed problems reworked and corrected? _____

There is a test coming next week on expressions and equations. The INB is the primary source to use for preparing for quizzes and tests. If items are missing, they should be made up. All notes and homework can be found on my website at <https://schuck.educatorpages.com/pages/math-7-8-assignments>
