

# Battleship

Name \_\_\_\_\_

Core \_\_\_\_\_

Record your hits and misses against your partner here. Record hits with an X and misses with an O. Remember that coordinates are called in (x,y) format.

Partner's Name \_\_\_\_\_

Hide your five ships on the grid below. Ships must lie vertically or horizontally, and the squares must be directly on a coordinate. Record misses, O, and hits on your ships, X, on this grid.
