

Math 7 INB Check #5 (At Home) Student's Name

Period _____

Please put a check mark next to all of the items that are completed and **in** the INB. Everything should have a page number and be included in the table of contents in the front. If they are missing, don't check them off. Write "missing" next to them.

- Title Page
- Table of Contents with page numbers listed and description of pages (All pages should be numbered.)
- Worksheet 2A Inequalities Front Side
- Notes on One, None, Infinitely Many Solutions
- Worksheet 3A One, None, Infinitely Many Solutions (evens)
- Notes on Ratios, Rates, and Unit Rates.
- Worksheet 3 Ratios- evens
- Worksheet 4 Rates -evens
- Notes on Proportions
- Worksheet 6T Proportions.
- Worksheet 2A Inequalities Backside - odds
- Worksheet 6 Proportions . In class = More Proportions
- Worksheet 7 Problem Solving with Proportions

Are there review questions written for each set of notes? _____ Were missed problems reworked and corrected? _____

The INB is the primary source to use for preparing for quizzes and tests. If items are missing, they should be made up. All notes and homework can be found on my website at <https://educatorpages.com/site/Schuck/pages/math-7-assignments>
