

Please put a check mark next to all of the items that are completed and **in** the INB. Everything should have a page number and be included in the table of contents in the front. If they are missing, don't check them off. Write "missing" next to them.

- Title Page
- Table of Contents with page numbers listed and description of pages (All pages should be numbered.)
- Lesson 1.1.4
- Review/Preview Problems Lesson 1.1.4 #1-36...1-39
- Notes on Converting Fractions between improper and mixed
- Worksheet Lesson 2 Converting Fractions
- Notes on Adding and Subtracting Fractions
- Worksheet Lesson 3 Adding and Subtracting Fractions
- Worksheet on Mixed Numbers -Adding and Subtracting
- Notes on Multiplying and Dividing Fractions
- Worksheet Lesson 4 Multiplying and Dividing Fractions
- Worksheet Lesson 5 Operations with Mixed Numbers

Are there summaries for each set of notes? _____ Were missed problems reworked and corrected? _____

There is a quiz tomorrow on fractions. The INB is the primary source to use for preparing for quizzes and tests. If items are missing, they should be made up. All notes and homework can be found on my website at <https://educatorpages.com/site/Schuck/pages/math-7-assignments>
