- Lesson 2.2.4 #2-67...2-75 (online book)
- WS 13 Dividing Integers
- Notes on Powers and Exponentes
- WS 14 Exponents
- Notes on Order of Operations
- WS 15 Order of Operations - Odds

Are there review questions written for each set of notes? _____ Were missed problems reworked and corrected? _____

The INB is the primary source to use for preparing for quizzes and tests. If items are missing, they should be made up. All notes and homework can be found on my website at <https://educatorpages.com/site/Schuck/pages/math-7-assignments>
