Online Classroom Behavior

1

BE KIND & RESPECTFUL

This is school. Expectations for how to behave in the classroom are the same online as when you are at school.

2

PARTICIPATE THOUGHTFULLY

Wait your turn to speak. Be thoughtful, everyone is in this unusual situation. No sharing from your online class to anyone outside of that particular class.

3

WATCH WHAT YOU SAY

If you wouldn't say it face to face, don't say it online. What is posted online is permanent. This is new for all of us. Think "positive/supportive.!"

4

BE PREPARED

Have an online video opportunity? Set a timer for just before the login time. Have your Chromebook charged & ready. Find a quiet, comfortable, space away from TV and other distractions. Have paper and pencil to take notes if you need.

5

RESPECT PRIVACY

Do not share links to video classes with anyone. Only the teacher invites guests and admits guests.

6

BE RESPONSIBLE

Do your best with what your teachers send out. Keep learning, growing, & **READING** every day. **If you need anything just ask.**
