

Dear 4th Grade Wanless Winner,

Welcome to 4th Grade! I'm so excited to be your teacher this year. I can't wait to meet you officially and hear all about your summer. I have had a great summer of golfing, swimming, and going to the beach. My family and I have had a very relaxing summer vacation.

We are going to have so much fun in 4th grade. We will be learning about the United States in social studies. In science we will be learning about animals, fossils, energy, and so much more. In math we will be learning about multiplication and division. Finally, we will work super hard on improving our reading and writing. Again, I can't wait to see you on the 30th at the ice cream social and our first day together on July 31st. If you want to see pictures of my classroom right now you can go to my class website. The web address is below. I have pictures of my classroom layout and my famous reading corner. Hope to see you soon! Enjoy the rest of your summer! Go Green!

Your Teacher,

Mr. Wanless
