

Dear 4th Grade Wanless Winner,

Welcome to 4th Grade! I'm so excited to be your teacher this year. I can't wait to meet you officially and hear all about your summer. I have had a busy summer taking my son around the Midwest competing in golf tournaments. I've also been able to relax around the house and lay low due to all the shutdowns.

We are going to have so much fun in 4th grade. We will be learning about the United States in social studies. In science we will be learning about animals, fossils, energy, and so much more. In math we will be learning about multiplication and division. Finally, we will work super hard on improving our reading and writing. I can't wait to see you on the our first day of school Tuesday, August 25th. If you want to see pictures of my classroom right now you can go to my class website. The web address is below. I have pictures of my classroom layout and my famous reading corner. Hope to see you soon! Enjoy the rest of your summer! Go Green!

Your Teacher,

Mr. Wanless
