Please return all office papers ASAP! ☺

September Birthdays

Emma H. 5th
Luke S. 20th
Malorie W. 27th

Pictured Below:

Sophie B. kicked off our MVP schedule. She did a great job sharing her poster and pictures. Looking forward to learning more about Azar next week.

Math

Our whole numbers unit continues next week. We focused on comparing multi-digit numbers this week. Next week we will focus on rounding whole numbers. The kids have been working hard on their basic facts. We continue to do weekly fact sheets. Also, the kids are working on Xtra Math each day and their I-Ready self paced adaptive lessons. Math logs are due Monday. We will continue to have homework each week. Thanks for all your support at home.

Language Arts

Our CKLA unit on Personal Narratives continues to go well. The kids focused on cause and effect this week while reading. In addition, they learned about character traits and using dialogue in their writing. Our spelling tests will continue on Mondays. Vocabulary packets are due on Thursdays. Keep working on those reading logs at home. It's really cool to see all the names up each week on the reading log all-star board.

Science

Our energy unit has begun!!! The kids will be doing a variety of energy experiments over the next few weeks.

Social Studies

We will be kicking off the year with our government unit. It's only fitting we do that seeing how it's an election year. The kids will be learning about the branches of government, laws, taxes, and the responsibilities of local, state, and national government.
