9/8 – Reading Log Due
9/8 – Spelling Test
No School – 9/4
No School – 9/7
9/10 – Vocabulary Packet Lesson 1
Synonyms due

Please return all office papers ASAP! ☺

I sent home each student's QR Code for Clever. It's on green cover stock paper and in their green communication folder. This way they should be able to get into their Clever account at home. I have all of our class links on Clever.

Math

The kids were able to work through a practice lesson with I-Ready Math this week. The purpose of this practice lesson was to get the kiddos familiar with the flow of the program. We also worked hard on our facts this week using Xtra Math and math fact sheets. The kids also worked independently on their I-Ready adaptive math lessons. Next week we will start Lesson 1 Place Value. Please be watching for more details to come.

Language Arts

The kids were able to work through 2 CKLA lessons this week on the theme "Personal Narratives." The kids wrote memory and friendship paragraphs. We discussed what a strong paragraph looks like. We also read a story called "A Good Lie." Next week we will spend a few days with our NWEA Map reading test. We will also get back into our first CKLA unit too. Our first "No Excuse" spelling word test will be on Monday. Finally, I introduced the kids to our 4th grade vocabulary packets. Each week we will have a vocabulary packet coming home on Thursdays. These packets are due the following Thursday.

Science

Our science will begin in a few weeks. We will be focusing on energy to start the year. The kids will be learning about different forms of energy.

Social Studies

We will be kicking off the year with our government unit. It's only fitting we do that seeing how it's an election year. The kids will be learning about the branches of government, laws, taxes, and the responsibilities of local, state, and national government.
