

Walt's Class Watches the Weather

by ReadWorks

Walt's class was learning about weather. Mrs. Lin, their teacher, made a weather chart. She made five boxes.

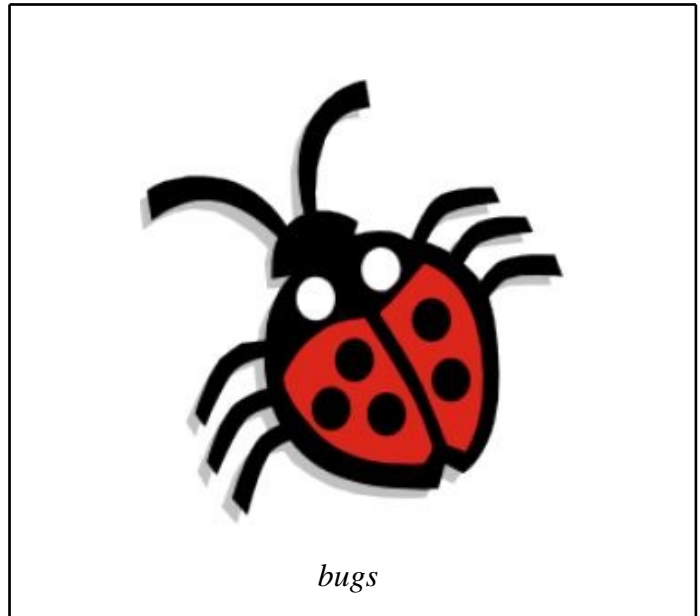

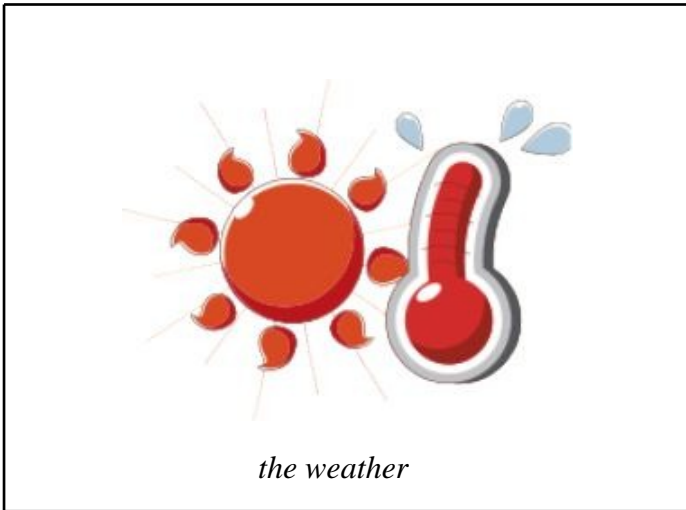

In each box, she wrote down one day of the week: Monday, Tuesday, Wednesday, Thursday, and Friday. Each day, Mrs. Lin asked what the weather was like.

On Monday, Susie said it was rainy. Susie drew a picture of a rainy day in the box that said "Monday."

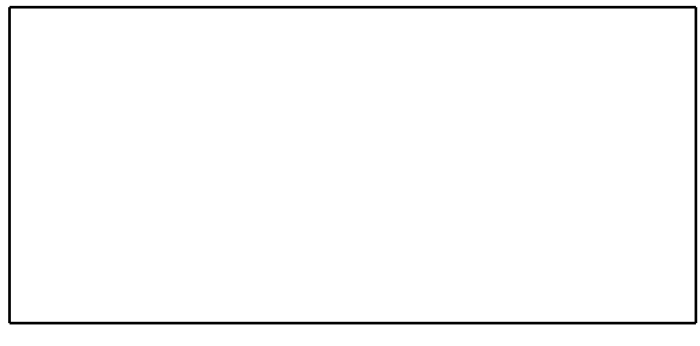

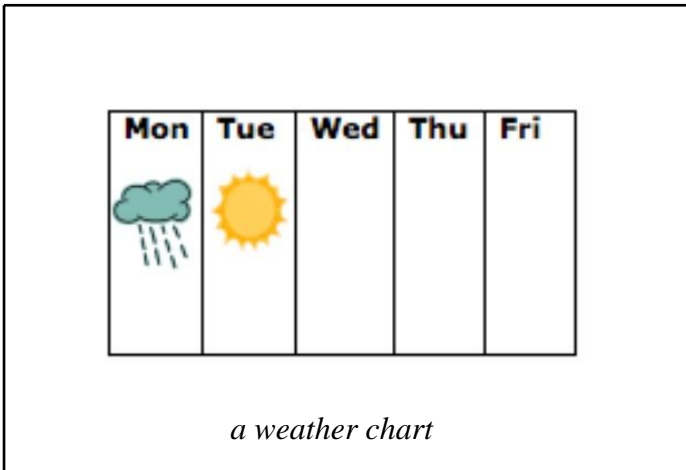

On Tuesday, Walt said it was sunny. Mrs. Lin asked Walt to draw the picture. In the box marked "Tuesday," Walt drew a big yellow sun.
