Presentations will be *exhibition* style- with half of the students sharing at their desks while other students are circulating and questioning them about the projects, then students will switch. Our sharing will begin at **9:30 am.** ...It's noisy and educational.☺ We would like to celebrate our learning after our sharing. Can you send in any nutritional refreshments for our party? We will share the refreshments at about 10:30. THANKS! Please find the attached project options and grading rubric. ALSO, PLEASE FIND AND SIGN THE ATTACHED FIELD TRIP FORM FOR OUR TRIP TO FLORIDA STUDIO THEATER. Thank you. ☺ Finally, there is information attached about how to use XTRA MATH at home. This program can help with math fluency. Thanks again!
