 See suggested projects and rubric attached.

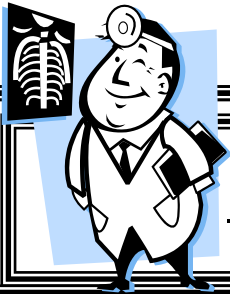

Next unit of study:
 SPACE!

Wednesday

Read 15-20 minutes

Complete your body project. It's due Friday!
 Make sure you list at least one source for your information.

Thursday ***Projects due tomorrow.***

Friday

BODY PROJECT PRESENTATIONS TODAY AT 10:15 (not 9:30 as previously announced.)

THANK YOU TO ALL WHO are sending in a healthy treat for refreshments after the BODY presentations! THANKS!

Thank you, Mrs. Jessup, for being our Class Captain and helping organize our events. 😊

Talent Development continues at 12:30-1:30!

Notes and News: 

Wow! We are looking forward to our human body project presentations! Please come and see what the students have been learning. Our project exhibition begins at 10:15 am on Friday. 😊

We will be attending the performance of DECK THE HALLS as the Florida Studio Theater next Thursday. Thank you for returning the field trip forms!

Also, in the new year, we will have a field trip to the Riverview High School Planetarium on January 17, 2019. We also are looking forward to visiting the Selby Public Library on Jan. 31st. It's going to be a great year!
