

NAME: _____ Pd: _____ DATE: _____

Identifying the Substances

Complete the data table below. First identify each substance, and then place a check mark in the appropriate box that describes each substance.

Substance	Name	Symbol	Formula	Atom	Molecule	Element	Compound
O							
O ₂							
CO ₂							
C							
Fe							
Cl ₂							
Ag							
NH ₃							
CO							
H ₂ O							
Al							
NaCl							
N							
N ₂							
Hg							
Uut
