

Report Requirements

Name: _____

My mineral is _____.

For this project you will need to:

1) Complete an Mighty Mineral information sheet.

You may use a variety of reference sources, such as encyclopedias (book or CD-Rom), science encyclopedias, science catalogs, magazines, and Internet sites*. Information sheets must be neat, written in black ink, and contain all the information requested. You also need to provide a list of your sources on the back of your information sheet. A minimum of three sources are required.

2) Create an cartoon for your element.

The advertisement must include the mineral's name, chemical formula, and a cartoon slogan that describes one or more of its important uses. You must also include pictures or a cartoon character that relates to your slogan. Advertisements must be neat and colorful. They may be done by hand or computer printed.

Reports due on _____

A list of mineral sites is available on
The Science Spot at <http://sciencespot.net/>
Go to **Kid Zone**, then choose **Earth Science Links**.
