

Name:

Water Cycle Storyboard Project

Period:

Rubric: YOUR NAME:

PERIOD: 1 3 4 5

I created my project in:

PowerPoint Google Slide Video Poster Comic Book/Flipbook

Other:

Directions: *You are to create the story of a water molecule and explain its journey through the water cycle.* Your story will need to take your water molecule through **at least SIX steps** of the water cycle. In your story, you will need to effectively use the terms **water vapor, evaporation, condensation, precipitation,** and either **run off** or **groundwater**. **This can include** power point, poster, video, comic book/flip book, etc... **Make sure you cover all points in the Rubric listed below**

Total	Task
0 1	1. Student's name (Hint: I would make steps 1,2, & 3 a single picture/slide/ etc... along with other information)
0 1	2. Class period
0 1 2 3	3. Name of the water molecule and any other characters in the story in one location (4 characters or more = 3; Only 3 characters names = 2; water molecule only = 1)
0 3 5 6 7 8 9	4. Minimum will be at least nine steps (slides, pictures, etc...) of the water cycle are illustrated .
0 3 5 6 7 8 9	5. Minimum will be at an accurate explanation of at least the nine steps of the water cycle.
0 3 4 5 6 7	6. The story is completely colored . (total color = 7; partial color = 5; pencil only = 3) *background may not be necessary i.e. poster posterboard
0 2 4	7. The water molecule had experience two of the phases of being a gas, liquid, and/or solid .
0 2 3 4	8. Proper use of the drawing & use of the term evaporation . (word shown in diagram & written in story = 4: Drawing ONLY = 3; Word only = 2)
0 2 3 4	9. Proper use of the drawing & use of the term condensation . (word shown in diagram/ written in story= 4: Drawing ONLY = 3; Word only = 2)
0 2 3 4	10. Proper use of the drawing & use of the term precipitation . (word shown in diagram/ written in story= 4: Drawing ONLY = 3; Word only = 2)
0 2 3 4	11. Proper use of the drawing & use of the term RUN off or Ground water . (shown in diagram/ written in story= 4: Drawing ONLY = 3; Word only = 2)

_____ /50 TOP Total Points Earned only:

0 1 2 3 4 5 6 7 8 9 10	Professional: (Judge's Opinion) I WILL JUDGE THIS. Is the completed project: (+8 only if top is perfect), nice writing, neat in coloring, not missing work and clean.
