

Keyword Search and Screen Print

Activity – Keyword internet search and screen print

Learning objectives

1. We are learning to complete an internet search for a map.
2. We are learning to save the map and web address for future use.

Activity

Use the internet to find a map showing the location of Sea Life Manchester

Screen print, paste and crop the map in a new Word document.

Include an appropriate title.

Include the web address in the document so that the map can be found if required.

Put your name in the footer of the Word document

Save the document with the name Sea Life Manchester Map into your desktop folder.
