

Science, Technology, & Explorer Post

2005 and 2006 Fieldtrip Photos

Golden Spike National Monument

Transcontinental Railroad

Goofing around near the Jetty Spiral

We found this within 200 yards of the Jetty Spiral

Davis Gulch

In the lower Escalante Canyon. Near Hole-in-the-Rock. We hiked through from top to Lake Powell. We had to navigate a difficult slot canyon and miles of canyon similar to what you see below. It was a beautiful canyon.

Devil's Garden

On the Hole-in-the-Rock road. Near Escalante, Utah. A great place to explore.

Leaving Spooky Canyon

In Harris Wash. Near Escalante, Utah

Calf Creek Falls, Swimming Hole

Notice Mr. Spencer swimming near the water fall. The water was very cold.
