

# Science, Technology, & Explorer Post

## 2006 and 2007 Fieldtrip Photos

### Hogle Zoo

Just after the Bird show.

### **Dog Sledding in Big Sky, Montana**

### **Clark Planetarium in Salt Lake City, Utah**

This one,,,,,we took a city bus down and back. It was quite an adventure.

## Feeding the Elk at Hardware Ranch

In Hyrum, Canyon. Near Logan, Utah.

### **The Chute, (Muddy Creek)**

We returned to the San Rafael Swell, (Utah). On this trip, we had our first student injury. We had to pack her out, 8 miles, and order a helicopter to rescue her. She tagged a rock, with her leg, under the water. Everything ended up fine for her. However, it was an all night adventure for the group.

## Timpanogos Cave Trail

On our way back from the cave in the fall.

## Swazy Springs, (Looking for trilobite fossils)

Near Delta, Utah
