

## Science, Technology, & Engineering Club

2008 and 2009 Fall Fieldtrip Photos

### Fantasy Canyon

Near Vernal, Utah. Notice the two witches in the geological formations.

## Fantasy Canyon

She is pointing at the Goblin

## Fantasy Canyon

## Dinosaur National Park

At Rainbow Park, the camera is looking down the Green River at Split Mountain.

## Petroglyphs in Dry Canyon

Near Vernal, Utah

## Devil's Golf Course

Death Valley National Park. Our Christmas trip.

## Mosaic Slot Canyon

Near Stovepipe Springs, California

## The Race Track

Notice the trail in the Playa. This indicated that the rock moved without explanation. A famous mystery to science.

**The Valley of Fire State Park**  
Near Las Vegas, Nevada

**Hiking back from Zabriskie's Point**  
Near Furnace Creek, California

**Elephant Rock**

Valley of Fire State Park
