

Chapter 5: Insuring Your Things

Bind This End

Keisha is happy she is earning money.

She is saving money.

She has extra money for fun things.

Keisha thinks she will reach her goal soon.

Keisha's mother says to slow down.

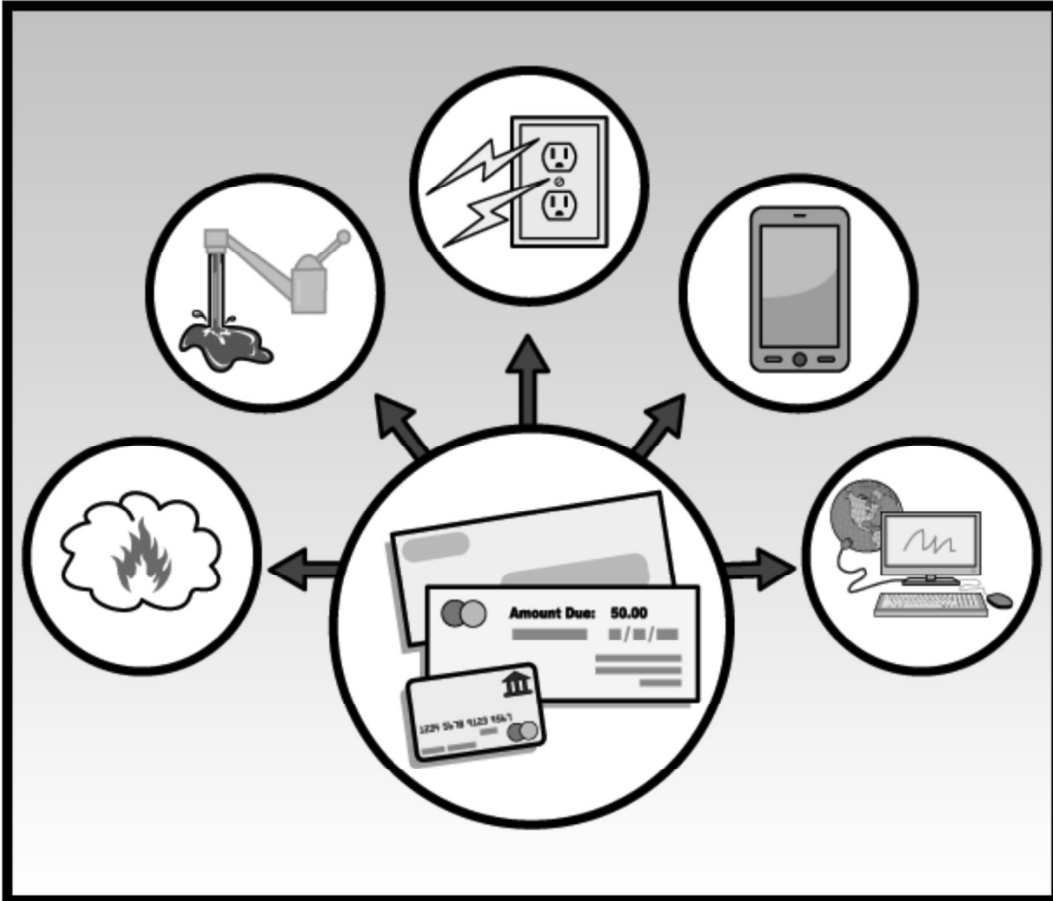

Keisha might have money to pay rent.

Keisha will need money for other things too.

Keisha will need to pay for utilities.

Gas, electricity and water are utilities.

Keisha may also have to pay for a cell phone.

Keisha's mother tells her about insurance.

Insurance protects our things.

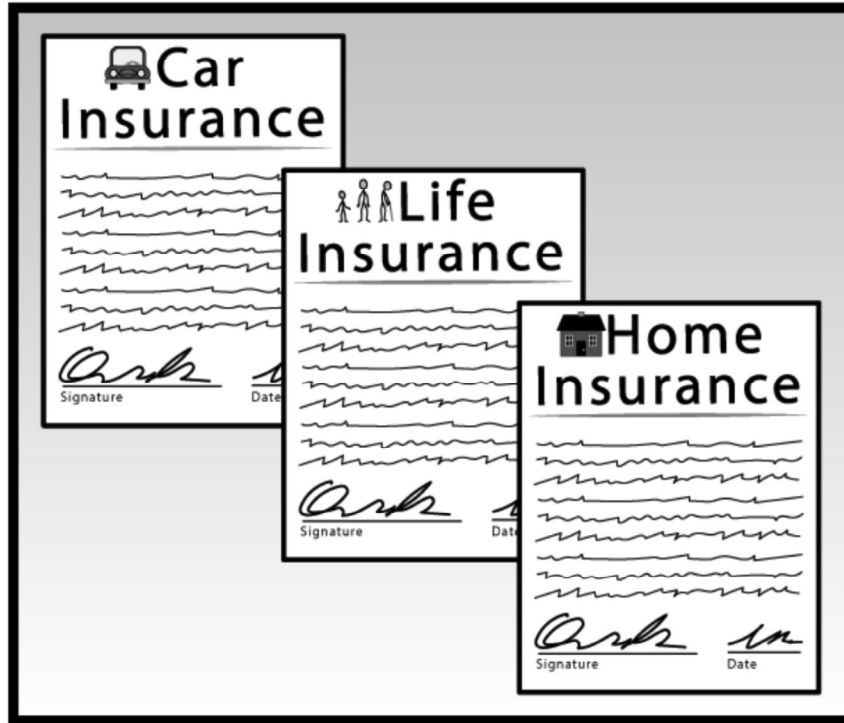

An accident may break your things.

The insurance company would pay for new things.

There are other kinds of insurance :

- Car insurance

- Home insurance

- Life insurance

A job may offer health insurance.

This is a benefit.

A benefit is something extra from a job.

Health insurance helps to pay for doctor bills.

There are many things to pay for.

Keisha has a good attitude.

She can work more hours in the summer.

Keisha will work hard to earn more money.

Keisha has lots of things to buy.

She will have to choose what to buy.

She can make a budget to help her.

Keisha likes that idea.
