News: I hope you have had a chance to peek at the progress being made on the new school. I shared a ton of photos with the students and we are getting so excited to move into our new environment. We are still missing some snow school permission forms. Please let me know if your student will not be attending or if you have questions. We cannot take the students to snow school without the permission slips. The week before snow school I will attempt to contact parents of those who still do not have a slip. Our first school store is this Friday! Students should not bring bills larger than a \$5 because we do not have change. Please sign and return empty report card envelopes by Friday. Thanks!

Learning this Week:

Science: Earth's spheres

Math: IREADY Test, quiz, rounding decimals
