News: The students have their spring program this week! I am so excited to see their performance. I know they have been working hard to prepare this musical. We hope you can attend. It is this Thursday at either 10 or 2. This Friday is the end of the quarter. Students will have early release at 1:15 and school store at lunch. Report cards will go home March 20th. The students have earned another compliment party!! They voted and decided on a PJ/Donut/board game party. Students will celebrate on Mar. 20. They are welcome to bring in board or card games and wear their jammies that day. I will provide donuts. For the students who would like to participate, track starts today (March 9). Have a wonderful week.
