Using the graphic above, answer (a), (b), and (c).

A. Using examples, explain how the Columbian Exchange altered the basic diets of the Old and New Worlds? (Detail the New World crops that changed the diets of the Europeans and the Old World crop that became the #1 crop in the Americas. Do not include animals in this answer.)

B. Which non-food item had the greatest impact on the Old World? Why? (Name the crop, where it grew, and give at least two examples of why it was so important.)

C. Using examples, describe the effect Old World livestock had on the New World. (Include the names of the domestic animals and their impact on Native American cultures. Do not include crops in this answer.)
