What You Need

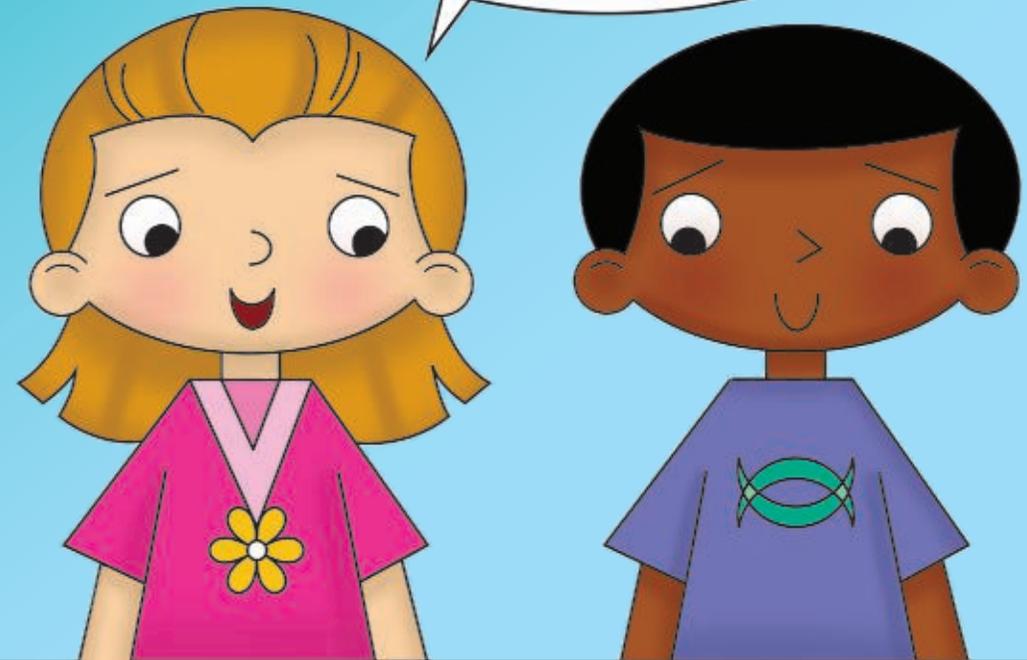

Car Race
gameboard

die

counters

What To Do

- 1 Put a counter (race car) on the 0 space (Start) on each track.
- 2 Roll the die.
- 3 Move one counter (car) that number of spaces, or split the number across two or more counters (cars).
- 4 Play until all 3 counters (cars) have moved to 10. Which car was first? Second? Last?
