SHARK ATTACK!

A sight word game

1. Shuffle cards and place them face down in one 'take' pile.
2. Players take turns taking a card and reading it. If they read it correctly, they keep the card. If incorrect, they move it to the bottom of the pile.
3. When a card is picked, follow the directions:
 - Tentacle Swipe- take 1 card from a friend
 - You're a STAR!- take an extra card from the pile
 - Puff Power- reverse direction of players
 - Seaweed Stew- lose a turn
 - Crabby Card- put 1 card back in the 'take' pile
4. If a SHARK ATTACK card is picked, the player places all of their cards in a separate 'lose' pile, along with the SHARK ATTACK card. These cards are out of the game.
5. The person with the most cards when the 'take' pile is empty wins!
