

Maple Avenue Middle School
Greek and Roman Day
May 11, 2018

Dear Parents and Guardians,

On Friday, May 11th, Maple Avenue Middle School 6th graders will celebrate our unit of study on Ancient Greece and Rome by having a school wide Greek and Roman celebration. The schedule for the day will include presentations on Mythology, Greek Dance, Astronomy and Greek Cooking..

Your child will be asked to wear a costume during the day. It can be something as simple as a draped bed sheet or as elaborate and creative as you like. In the past, some students have chosen to dress as Greek gods and goddesses or mythological characters. We have attached some samples of easy to make togas, but feel free to be creative. The children usually have great ideas.

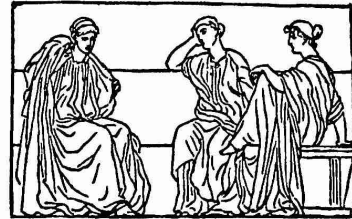

Thank you for your help and support in this school wide project. We're sure it will be a memorable experience for the children. Please feel free to contact us if you have any questions.

Sincerely,

Maple Avenue Sixth Grade Teachers
